A WORD FROM THE MANAGER

ANDY PREECE

The final game of our mini run of home games this afternoon, and yet another important contest as October begins.

We obviously know Blyth Spartans pretty well having already played out a 1-1 draw with Graham Fenton's side in August. We also know a thing or two about playing in the Emirates FA Cup, especially over the last few seasons.

There's no question that we'd like to go on another exciting run in the competition. But we also know that our opponents, with their hugely rich history in the competition, are looking to do the same.

Despite only having been in the job a day or two when they came to HQ a few weeks back, you could already see Graham's ideas taking hold on his team. Another tough battle no doubt awaits us, and we'd expect nothing less from a crucial knockout cup match.

We were content with the draw against Chester on Tuesday evening, although felt we could, and probably should, have won the game. Very fine margins once again, but very pleasing that we battled back twice from going behind.

It was also extremely important for Jack Sampson to get on the scoresheet with a terrific header. Sampo's been excellent since he returned to us in February, and after missing the two previous games with injury he couldn't wait to back involved.

We once again showed that when our forward players are clicking together we're a huge threat going forward. Connor scoring his eighth of the season, along with two great assists from Bashi and Shents.

I can't say enough about the atmosphere, either. A big thank you to everyone who came out on Tuesday to support the team. We hope you enjoyed the spectacle on the pitch and that we'll see many of you back today, in a few weeks and over the coming months.

It's never easy, when you've got so many home games in such a short space of time, to convince people to come and watch them all. As a club and as a squad we've been massively encouraged by the backing and hopefully you'll all be in good voice again this afternoon.

Enjoy the game, Preece

THE Magpies came from behind twice to snatch a point against Chester on an entertaining night at the Chorley Group Victory Park Stadium.

The visitors started on the front foot with an early chance falling to Kurt Willoughby who dragged his shot wide, while Chorley struggled to settle themselves into the contest.

Lewis Coulton then found space out wide and dug out a delicious cross to find Adam Thomas at the back post who headed past Matt Urwin smartly to give Chester the lead on 16 minutes.

Ollie Shenton saw an effort curl over as the Magpies looked for a way back into the game, before Thomas fired a looping effort onto the crossbar just before the break.

Chorley wouldn't have to wait long to get back on terms after the restart, Shenton supplying an assist out of the top drawer to put Hall through and he did the rest, finishing past Harry Tyrer for an eighth of the season.

Andy Preece's side continued to huff and puff

CHESTER 2 THOMAS 16', STEPHENSON 76'

but couldn't find a way through, only for Darren Stephenson to slam home an effort from 25-yards against the run of play with 13 minutes remaining.

Sub Jack Sampson then set up a thrilling finish in the dying embers of the game, heading home in the 87th minute from Jon Ustabaşı's cross – both teams settling for a share of the points in the end.

Chorley: Urwin, Henley, Wilson, Leather (c), Nolan (Tomlinson, 77'), Whitehouse, Calveley (Johnson, 80'), Ustabaşı, Shenton (Sampson, 65'), Blakeman, Hall.

Chester: Tyrer, Morgan, Coulton, Burke, Kenyon (c) (Roberts, 61'), Stephenson, Willoughby, Thomas, Devine, Williams, Murray (Lynch, 56').

MANAGER'S REACTION – ANDY PREECE

"We deserved at least a point from the game and our response to going down twice was excellent. It was great for Jack to come back from injury and have the impact he did."

HOW GREAT ANNUAL SAVINGS HELPED CHORLEY FC

- Administrative burden removed
- A saving on energy costs
- Long-term price protection
- Revenue earning potential through the partnership
- Additional opportunities for obtaining sponsorship

“GAS have been an invaluable help to the Club. We were really struggling to manage our energy renewal. And, without the partnership we would have struggled due to lack off footfall as a result of the current pandemic. However, the team at GAS has provided hope that we will be able to achieve commercial revenue this season.”

YORK CITY 0

THE Magpies produced a gutsy display in awful conditions to seal a place in the Fourth Round Qualifying of the Emirates FA Cup.

The rain was hammering down as the game started and continued for much of the first half, leaving little room for error on the slickest of surfaces. The visitors created a couple of half-chances that Matt Urwin had to deal with, before a Chorley corner from Sam Walker saw Harry Cardwell fouled, the ref point to the spot and Lewis Reilly confidently beat Pete Jameson from 12 yards.

The Magpies were very much in the ascendancy, but try as they might, couldn't fashion any more clear-cut openings. Cardwell flashed an effort wide and Reilly was close to connecting with a Mike Calveley nod back in the six yard box.

At the other end Ollie Dyson came closest to an equaliser, but his turn and shot from Scott Barrow's centre hit the bar and bounced clear of danger.

As the rain eased off at the start of the second half, so did the chances. The Magpies kept their shape, battled superbly, and when York did get the ball into dangerous

areas it was by-and-large a Chorley body that got to it first.

Snap shots for Birch and Ollie Shenton aside, the attacking purpose came from the visitors, although it was rarely overwhelming to deal with. Set pieces were the main danger, with the two best second half chances coming off superb balls into the box. One was the width of the post away from an equaliser, another forced Matt Urwin to stand tall to repel the danger.

The threat of a late Minstermen onslaught never materialised as Chorley dug deep, ran themselves into the ground and finished the night in the Fourth Round Qualifying draw hat for a fourth season on the spin.

Chorley: Urwin, Birch, Halls, Leather (c), Baines, Calveley (Rodwell-Grant, 66'), Cardwell (Shenton, 56'), Reilly, Newby, Garratt (Smith, 56'), Walker. **Subs not used:** Baxter, Putnam, Malakai, Dutton.

York: Jameson, Duckworth (Bunn, 41'), Barrow, Newton (c), Brown (King, 10'), Kennedy, Wright, Woods (Potts, 73'), Cassidy, Dyson, McLaughlin. **Subs not used:** Spratt, Gamble, Guilfoyle, Flatters.

JOIN THE SUPPORTERS TRUST NOW

MEET THE TRUST BOARD

The latest in our series of meet the trust board... meet our new Supporters Director Jonathan who has already made a huge impact since joining the board. His story is below!

Name: Jonathan Slater

Role in Trust: Supporter Director. As a more recent Chorley FC fan, I'm able to bring a different perspective and add balance onto the trust board. I'm currently helping the trust transition into a modern, technology-enabled society which can engage with fans of all ages.

What's your day job? I'm a local entrepreneur and founded a company called CAPSLOCK. We help adults reskill to become cyber security professionals, entirely online. For the last three years, it's grown at a tremendous rate and I've learnt so much from the experience. We've raised £1m+ from investors, have 20 employees, and have had a huge impact on people's lives. The reason I joined the trust is because I wanted to bring my entrepreneurial business-focused skills to benefit the supporters trust and the club.

Where do you live? Clayton-le-Woods. I've lived in the community for coming up to 3 years. I began to follow Chorley FC as soon as we moved here and as I grew more disenfranchised with Premier League football, I decided to attend my first Chorley match in-person!

Do you support any other teams? My Dad used to be a professional football player & coach. He was a reservist at West Ham in his youth and then coached alongside Geoff Hurst in his days as a coach. I follow West Ham, mainly from the couch though. It's just not the same as getting down to Victory Park and

being 5ft away from the players.

Favourite player of all time? Because this is an open question, I'm opting for Dimitri Payet when he was at West Ham. No player has entertained me as much as him.

Favourite Player in the current squad? I'm a big fan of professionalism, especially given we're part-time. For that reason, Scott Leather. I think he brings so much more than his defensive capabilities.

Where do you sit/stand on matchdays? Well, I'm really lucky to get a seat in the Directors box. I'm a big fan of inclusivity & diversity, so many times I'll head behind the goal to watch with friends, or head round to wherever the sun is with a tray of chips and a lovely pint of Tetley's (and yes, I'm 31 and drink Tetleys, ha!) personal reasons, was Chorley beating Kendal to win the Lancashire Junior Cup at Bolton in 2012. I had never seen them win that trophy and my Dad was there and I am pretty sure it was the last match he went to. It meant a lot to me for a number of different reasons.

Prediction for this season? I think we'll hit the playoffs. Preecey has only just taken the reins and there are good signs. 3 clean sheets in a row after Brackley and sat just a point away from 7th. As they continue to learn Preecey's patterns of play, they'll start to score more too.

BY THE ROVING MIKE A GRANDSTAND VIEW

BACK FOR THE 2022/23 SEASON

Today we extend a very warm welcome to everyone associated with Blyth Spartans Football Club ahead of this afternoon's FA Cup Third Round Qualifying tie. The Spartans are making a quick return visit to Chorley, having fought out a 1-1 draw in the National North fixture played here last month.

The winners of today's tie will be just one match away from a place in the First Round Proper of the competition and the chance of playing a club from League One or League Two. Prize-money for the winners of third round qualifying ties is a healthy £5,625, while those exiting the FA Cup at this stage will collect £1,875.

Two other ties of local interest are at Clitheroe and Bamber Bridge. The former, who have never progressed further than this round, will host the newly-formed Bury AFC in a tie which has a measure of magic attached to it and should pull in a sizeable crowd of supporters from both camps. Over at Irongate, Bamber Bridge will entertain Jamie Vermiglio's Buxton, familiar surroundings for the former Magpies' manager.

On the league front, September has seen a slightly more regular pattern developing with some of the 'big guns' settling into familiar positions at the top end of the table. Although last season's National League members King's Lynn Town and Southern League champions Banbury United have made a very strong start, Kidderminster Harriers and AFC Fylde are moving ominously into contention, the latter now the bookmakers' favourites for the title.

Keep an eye too on Darlington who look set for a promotion push after two or three relatively quiet seasons. They are now right among the leaders after Tuesday's late, late winner against Blyth.

Tuesday's results mean that just one point separates the top five headed still by King's Lynn on 21. The programme featured another clutch of drawn games – a regular occurrence this term in what is proving to be an extremely tight league.

Our match against Chester had all the ingredients of the usual fierce clashes with the Deesiders. It was five-star entertainment for a bumper Tuesday-night crowd of 1,679. Full marks to the referee for

keeping the lid firmly on this real pot-boiler of a contest, while still allowing the game to flow. Our players did the fans proud, showing tremendous character to bounce back twice from falling behind.

On now to today's cup-tie. Let's hope the boys have enough left in the tank to grab the opportunity to take us once more into the final round of qualifying – up against one of the most renowned non-league FA Cup battlers in the history of the competition. Enjoy the game!

THE ROVING MIKE

THE WINNERS OF TODAY'S TIE WILL BE JUST ONE MATCH AWAY FROM A PLACE IN THE FIRST ROUND PROPER OF THE COMPETITION AND THE CHANCE OF PLAYING A CLUB FROM LEAGUE ONE OR LEAGUE TWO.
