## *A WORD FROM THE MANAGER* **PREECY'S PIECE**

**I would like to welcome all the directors players coaching staff and fans of Kings Lynn Town to Victory Park this afternoon.**

Kings Lynn were very unfortunate not to get promoted last season. To gather as many points as they did and not be promoted seems unfair.

As a full time club I'm sure they are pushing for more than one automatic promotion spot as the league gets stronger and stronger.

I expect them to be one of the front runners again although they find themselves next to us in the table as things stand.

We will both be looking to kick start our seasons today.

We were so disappointed with our first half performance v Warrington we give them credit for how they played and they thoroughly deserved to be ahead at the break.

By the standards we have set first half wasn't acceptable we've looked back at reasons and how to rectify this.

These lads have very rarely let me or you down they were angry with themselves at half time.

Second half you could see the difference and we should have got something out of the game, after our first half performance we probably got what we deserved.

One performance or one result is never

enough to get carried away with whether winning or losing so we have to look at our performances on a whole.

We have had two poor half's played well in spells then haven't made the most of our opportunities. This is why we are under where the points total should be at this stage.

The majority of the squad have started at least one game and it's fair to say opportunities are there for anyone to make a starting position their own.

We are still looking to strengthen the team with the full support of the owners have had several offers turned down for players to sign permanently or on loan turned down.

Today we have to get back to the way we go about games and give the fans something to sing and shout about.

We need to create that atmosphere by performing on the pitch then you can give the energy back to the team.

This is important at every home ground and when we get that energy nobody enjoys visiting Victory Park.

Playing Kings Lynn at home means we don't need any motivation or encouragement to get behind the team due to what happened last season.

Let's put things right today with a performance and a win - **Preecy**

# CHORLEY FC'S STRONGEST SUPPORTER

## *A WORD FROM THE CHAIRMAN* **JAMIE VERMIGLO**

**I would like to extend a welcome to the King's Lynn team and board of directors. We know like us, they are desperate to achieve their first win of the season.**

You shouldn't assume based on their current league position and recent results that they won't be near the top of the table at the end of the season. They, too, wasted chances to capitalise in some of their fixtures and we know from last season - they're an excellent team.

After losing to Warrington Town at home last week, just like you, all of us were disappointed. We haven't lost at home too frequently, and we'll do all in our power to prevent it from happening again. In the opening games, we were unfortunate to only pick up a point at home to Brackley then Farsley on the road. In a challenging encounter at Chester, we were resilient and managed to show enough character to earn a tough point. The performance at home to Warrington fell short of expectations for all of us.

Everyone suffers when we don't perform, for whatever reason. Everyone involved feels pain—the players hurt, you hurt, and stomachs ache! It leaves a bad taste in our mouth. This lingers for a while, especially for the players and it is amplified if individual performances fall short of personal expectations. This emotion weighs most heavily on the management team until the next match and subsequent strong performance.

We all know that success on the pitch is necessary to get a town excited. Everyone here is trying very hard to get there, especially the management team and new owners.

In football, things don't always go as planned. In 2020–2021, one of our best years to date, we managed to advance to the FA Cup fourth round. In the first five league games of the same season, we earned one point. When we made the playoffs in 2021–22, we lost our first two games, conceding four goals and scoring none. We had five points after the first five games of last season, but we fell short of the playoffs by just 15 minutes of play!

The pathway to success is not a straight line. We know that at our club. Do you remember when we struggled to attract 200 supporters to watch a home game? I remember playing away to Bacup Borough with less than 100 watching (I remember scoring 2 goals in that game too!).

We are on a new journey. We will have numerous low points, as we always do in football. Our goal is to surpass more milestones and forge more wonderful experiences for our team, our community, and our fans. Our club's ability to stay grounded, maintain a positive attitude and make everyone feel supported is what has made us successful in the past. Therefore, if and when we go through some tough times, let's do it together and stay strong as a group. That way, when we create new memories—and believe me, we will, they'll taste and feel even better.

# A MESSAGE TO YOU FROM THE OWNERS

## WELCOME TO CHORLEY FC MATCHDAY PROGRAMME

Exciting Changes to Enhance Your Matchday Experience! We are thrilled to announce that, as part of our new ownership's commitment to improving and modernising the matchday experience, we have made some significant changes for the 2023/24 season. These changes coincide with the implementation of our new integrated ticketing system, which will go live for our first game of the season!

### Online Tickets

In a change from previous seasons, we are now offering discounted ticket prices to everyone who purchases their tickets online for matches at the Chorley Group Victory Park Stadium. To secure the best price on single match tickets, simply visit our new ticket site and purchase your tickets. Online ticket sales will be available until shortly before kick-off (online ticket sales will close 2 hours prior). Then, on matchday, all you need to do is show up at the turnstiles, have your e-ticket scanned on your phone, and you're in! It's that simple.

### In-person Tickets

We will continue to offer on-the-day in-person ticket sales for the 2023/24 season. However, the price of these tickets will be slightly higher compared to our online option. Please note that payment at the turnstiles will no longer be available. Instead, on-the-day in-person ticket purchases will be facilitated through our new ticket booth at the Chorley Group Victory Park Stadium. The ticket booth will accept both cash and card payments. Once you've obtained your ticket, you can proceed to the turnstiles as usual for ticket scanning and entry.

## WELCOME TO CHORLEY FC MATCHDAY PROGRAMME

In addition to the ticket purchasing changes, we have revised our admission categories for the first time since 2019. To address instances where individuals deliberately attempted to purchase tickets incorrectly to gain access to cheaper admission prices, we have simplified the process to ensure fairness for all supporters. From now on, anyone aged 18 to 64 will be classified as an adult and will be required to purchase an adult admission ticket.

# MAGPIES COLUMN

A warm welcome to everyone who has made the journey from King's Lynn for today's game and an extended welcome to members and directors of The Blue & Gold Supporters' Trust. We hope you enjoy your visit to Victory Park this afternoon.

The result against Warrington Town last weekend did not go our way on the pitch, however, off it the Trust had a very good afternoon with membership sales – both new and renewals – 50/50 sales, and also the distribution of the free match day programme went down a hit. A massive thank you to the Club for this initiative and allowing us to collect donations for programmes which will go into the Magpies Fund.

As mentioned before, we had a good afternoon with membership sales at the Warrington game, gaining 5 new members, but we would like to give a special mention to our newest Super Fan which has sent Magpies Trust global and given us our first member from 'down under'. Ian is over in the UK visiting friends whilst on a work trip and made the journey to Victory Park thanks to a fellow Trust Super Fan. He made quick work of visiting Trust HQ and signing up as our first international Super Fan. Thank you Ian and we hope to see you on Victory Park again soon!

We are still accepting memberships for just £10 per year or you can register yourself as a Super Fan like Ian did for just £5 per month. You will be entered into a Super Fan draw as well as directly supporting the fantastic work of Chorley FC Community Foundation.

Have you got your 50/50 tickets for today's game? Did you know that you can now purchase these online prior to any fixture?

Ian (left) is our first international Super Fan from New Zealand pictured with Magpies Trust Chair, Julian (right)

More information about this can be found on the shop section of our website. The 50/50 draw provides valuable income for both the Trust and the Club on a matchday. We managed to sell a ticket to 36% of the crowd last weekend and with your help we can increase this percentage, increase the prizes and increase the money generated for our projects. Thank you for your support with the 50/50 draw!

There are plenty of other projects that you can get involved with that support the Trust and they are;

- **Golden Goals** - As popular now as it was when it was first introduced onto the Victory Park terrace over 20 years ago. For just £1 per ticket you could bag yourself £30 when that first goal goes in.
- **Pledge Scheme** - £1 per goal, £1 per clean sheet. It's your pledge. We're trying to build up funds inside the newly created "Magpies Fund".

All income we receive through these projects goes back into the Trust and ultimately will help us achieve our goals of helping the Club and improving the supporter experience at Victory Park.

Again, thank you for your continued support and enjoy the game!

Julian - Chair, Magpies Trust

## 60 YEARS AGO – CHORLEY FC 2-0 DROYLSDEN

**The more things change, the more they stay the same. Or so it's said. Just as we have had two months of fairly miserable weather, Chorley began the 1963/64 Lancashire Combination on Saturday 24th August in much the same conditions.**

A convincing 2-0 victory at Southport Reserves saw Peter Watson snatch the points with a brace. On the same day, the first ever Bundesliga games kicked off in West Germany, replacing the original Oberliga.

The UK had just about thawed out after the Big Freeze of 1963 saw heavy snowfall in Lancashire and sub-zero temperatures lasting until March. The Profumo Affair was rocking domestic politics and in May the release of The Beatles' debut album Please Please Me saw the explosion of Beatlemania.

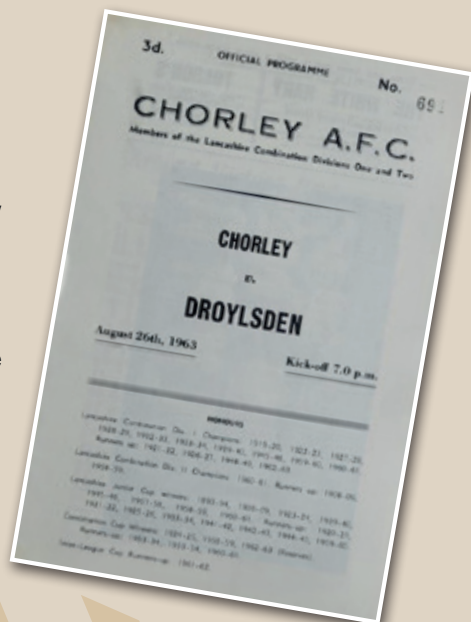

Chorley welcomed Droylsden on this day sixty years ago for the Summer Bank Holiday Monday clash, which saw the Magpies maintain their perfect record in the league in front of a Victory Park crowd of 1,255.

The squad remained unchanged and so the scoreline was 2-0, as for the win over Southport Reserves two days earlier. This time Peter Watson sportingly shared out the finishing duties, despatching one himself and allowing Charlie Wroth to add the other.

After a fifth-place finish in 1961-62, player/coach Arthur Rowley had been brought in to restore the Magpies to their former glories of back-to-back League and Lancashire Junior Cup honours that had heralded the new decade. Second place in 1962/63 was an improvement, but two wins from two was a dream start to the new campaign.

Forty-eight hours later, Dr. Martin Luther King Jr. delivered his "I Have A Dream" speech on the steps of the Lincoln Memorial, where more than 250,000 people demonstrated in the "March on Washington for Jobs and Freedom".

# ON THIS DAY 26TH AUGUST

## 23 YEARS AGO – CHORLEY FC 8-1 LINCOLN UNITED

The saga of the OceanGate submarine has gripped the media recently, and in mid-August 2000 a similar story captured the attention of the public when Kursk, the Russian cruise-missile sub, was lost in the Barents Sea along with 118 personnel.

A week later, Chorley opened their Unibond League First Division campaign with a 1-1 draw at Bradford (Park Avenue) followed by a midweek 1-0 defeat at home to Witton Albion. Looking to kick start the Bank Holiday weekend with their first win of the season, the Magpies greeted Lincoln United at Victory Park twenty-three years ago today.

As stuffy thunderstorms rolled across Britain, Reggie Kray was released from Broadmoor Hospital on compassionate grounds and Groovejet (If This Ain't Love) by Spiller, featuring Sophie Ellis-Bexter, hit number one on the UK Singles Chart that evening.

During the afternoon, the Magpies got into their own groove. A goal apiece for David Eatock and Paul Thomson, a brace from Matt Swailes and a hat-trick from Danny Mills gave the Magpies an unbelievable 8-1 victory, their best result in more than a decade. Remarkably, it was not the highest scoreline notched in the league that season. Ashton United made their Croft Park home a feared place to visit, despatching Gretna 9-2 – and also recording 8-1 against Kendal Town and, unfortunately, thrashing the Magpies in March by a 7-3 scoreline.

## CHORLEY FC 0

**Chorley fell to a disappointing 1-0 defeat at home against Warrington Town on Saturday afternoon at Victory Park.**

The Yellows had the first big chance of the game, Connor Woods hitting his shot on target but Matt Urwin was equal to it.

It didn't take long for the visitors to hit the front though, only a minute later Woods and Isaac Buckley-Ricketts combining well before the former slammed home after jinking past Mark Ellis to get his shot off.

Chorley's only opportunity before the break fell to Louis Britton, whose shot found the hands of Tony Thompson after Jack Sampson's flick on fell nicely into his path.

Adam Henley very nearly got the Magpies back on term on the hour mark, his effort scrambled off the line by Peter Clarke.

The Magpies huffed and puffed in search of an equaliser and were very, very unfortunate not to get back on terms in the dying minutes - Jack Sampson blocking Tony Thompson's goal-kick, then playing in Carlton Ubaezuonu but a Warrington defender was on hand to save his keeper's blushes.

# CHORLEY FC CELEBRATES 10 YEARS OF SOCCER SCHOOLS

Almost ten years ago, on August 27, 2013, we opened our first-ever 'Soccer School.' The sessions were led by Adam Roscoe, who is well-known for more than just his overhead kicks and me! The coordinator was the late David Murgatroyd. For the first one or two, we had trouble with the numbers less than 10 children signed up to the first one), but by the fourth and fifth sessions, we were booming and regularly reaching 70 to 100 kids. James Turner, who is pictured with his mother Carole and next to Roscoe in the photograph, was one of the first kids to arrive. Up to the age of approximately 16, James attended pretty much every soccer school he could. James is now a fully committed supporter with his parents.

Murgy was instrumental in the club's new project. His pen would be writing furiously and his phone would be buzzing with the most extravagant ring tones. He would record the information of kids who were signing up on a folded-up piece of paper or a small book he kept on the inside of his jacket. Emails? For Murgy? No! To get the information to me, he used carrier pigeons. Lists would be delivered with capital

letters, carefully written. He would cover any errors with the strongest Tipp-ex you could locate! Everything was organised.

Murgy would plan everything out before serving as the 'front of house' while kids and parents came. Kind, cheerful, and eager to support our families, he would be diligent with everything related to the Soccer Schools, including writing the certificates precisely, organising tickets, gathering autographed balls, etc. I remember he once searched his drawers for a shell suit (1980s style!), to wear so that he could 'look like a coach!' – He wore this on one of the away trips too!

One of Murgy's finest club accomplishments at the club was without a doubt founding, expanding, and most recently maintaining and developing the Soccer Schools with Preecy.

"I made you into the manger that you are!" Murgy would always inform me when we were travelling to and from games. Every time we travelled, Murgy would insist over a glass of red wine and some cheese and crackers that the Soccer School 'HE' founded and offered me the chance at,

was what made me into a football manager. Although we both knew that was not the case, spending so much time with a fantastic man had a positive impact on my attitude and character.

It is quite appropriate that the kids now strive towards the “David Murgatroyd Award” on every Football School. A prize for kids who, like Murgy, have been committed, diligent, and have a constantly positive attitude

We appreciate Carole sharing the picture. The football schools and other community projects will be continued and developed, which is something we are all excited about.
