Item	Picture	Specifications	1000PCS (UK Pounds)	Price per carton (UK Pounds ex VAT)
EBPS-YT16,16W integrated solar panel		Solar Panel:16W,Mono solar cells,23% efficiency Material:Matte ETFE+EVA+Mono solar cell+Cabon fiber film+high temperature and waterproof fabric Color: Full black Output:5V/3A (MAX ) Output Ports: USB A x 2 ,Type C x1 Extended Size :35.7*27.3*0.2CM Foldable Size:27.3*17.8*1.1CM Net Weight:330g Remark: with moulded rubber cover <b>Package: 20PCS/CTN, Size:30.5*20.5*63CM,Weight:9KG</b> <b>Function:charge for all USB devices,like smart phone,tablet,etc.</b>	£20.22	<b>£404.40</b>
EBPS-YT25,25W integrated solar panel		Solar Panel:25W,Mono solar cells,23% efficiency Material:Matte ETFE+EVA+Mono solar cell+Cabon fiber film+high temperature and waterproof fabric Color: Full black Output:18V/1.38A & 5V/3A & 9V/2.5A & 12V/2A Output Ports: DC x 1,USB A x 1 ,Type C x1 Extended Size :53.7*27.2*0.2CM Foldable Size:27.2*17.5*1.1CM Net Weight:460g Remark: with moulded rubber cover <b>Package: 20PCS/CTN, Size:30.5*20.5*63CM,Weight:12KG</b> <b>Function:charge for Laptop power bank,12V battery(Lower capacity of power generator),all USB devices,like smart phone,tablet,etc.</b>	£30.62	<b>£612.40</b>
EBPS-YT60,60W integrated solar panel		Solar Panel:60W,Mono solar cells,23% efficiency Material:Matte ETFE+EVA+Mono solar cell+Cabon fiber film+high temperature and waterproof fabric Color: black/red/camouflage green/grey ect option Output:19.44V/3.086A & 5V*3A & 9V2.5A & 12V/2A Output Port:DC5521 & USB -A & USB-C (with PD45W) Extended Size :110*47*0.3CM Foldable Size: 47*48*3.1CM Net Weight:1.7KG Accessories:with 2M 16AWG cable, 10 in one connector Remark: with adjustable support and PC handle <b>Package: 4PCS/CTN, Size:52.5*54.5*28CM,Weight:9.6KG</b> <b>Function:charge for power station,12V battery and USB devices</b>	£55.68	<b>£222.72</b>
EBPS-YT105,105W integrated solar panel		Solar Panel:105W,Mono solar cells,23% efficiency Material:Matte ETFE+EVA+Mono solar cell+Cabon fiber film+high temperature and waterproof fabric Color: black/red/camouflage green/grey ect option Output:19.44V/6.172A & 5V*3A & 9V2.5A & 12V/2A Output Port:Output Port:universtal MC4 & USB -A & USB-C (with PD45W) Extended Size :111*61*0.3CM Foldable Size: 61*59.7*3.1CM Net Weight:2.8KG Accessories:with 2M 16AWG cable,1 drag 6 option option Remark: with adjustable support and PC handle <b>Package: 4PCS/CTN, Size:67.5*66*28CM,Weight:15.5KG</b> <b>Function:charge for power station,12V battery and USB devices</b>	£87.69	<b>£350.76</b>
EBPS-YT100,100W integrated solar panel		Solar Panel:100W,Mono solar cells,23% efficiency Material:Matte ETFE+EVA+Mono solar cell+Cabon fiber film+high temperature and waterproof fabric Color: black/red/camouflage green/grey ect option Output:19.44V/6.172A & 5V*3A & 9V2.5A & 12V/2A Output Port:Output Port:universtal MC4 & USB -A & USB-C (with PD45W) Extended Size :174*42.6CM Foldable Size: 47.5*42.6*4.2CM Net Weight:3.46KG Accessories:with 2M 16AWG cable,1 drag 6 option option Remark: with adjustable support and PC handle <b>Package: 4PCS/CTN, Size:52*47*33.5CM,Weight:17.8KG</b> <b>Function:charge for power station,12V battery and USB devices</b>	£90.48	<b>£361.92</b>
EBPS-YT120,120W		Solar Panel:120W,Mono solar cells,23% efficiency Material:Matte ETFE+EVA+Mono solar cell+Cabon fiber film+high temperature and waterproof fabric Color: black/red/camouflage green/grey ect option Output:19.44V/10.802A & 5V*3A & 9V2.5A & 12V/2A Output Port:universtal MC4 & USB -A & USB-C (with PD45W) ,with 2M 16AWG cable		

11120,1200V integrated solar panel		Extended Size :181.2*47CM Foldable Size: 49*47*3.1CM Net Weight:3.6KG Accessories:1 drag 6 option Remark: with adjustable support and PC handle Package: 3PCS/CTN, Size:67.5*66*28CM,Weight:13.4KG Function:charge for power station,12V battery and USB devices	£97.41	£292.23	0
EBPS- YT210,210W integrated solar panel		Solar Panel:210W,Mono solar cells,23% efficiency Material:Matte ETFE+EVA+Mono solar cell+Cabon fiber film+high temperature and waterproof fabric Color: black/red/camouflage green/grey ect option Output:19.44V/10.802A Output Port:universal MC4 with 2M MC4 cable ,14AWG Extended Size :222*61*0.3CM Foldable Size: 61*59.7*4.2CM Net Weight:5.3KG Accessories:1 drag 6 option Remark: with adjustable support and PC handle Package: 3PCS/CTN, Size:67.5*66*28CM,Weight:18.95KG Function:charge for power station,12V battery	£164.25	£492.75	0
EBPS- YT300,320W folding solar panel		Solar Panel:320W,Mono solar cells,23% efficiency Material:Matte PET+EVA+Mono solar cell+Cabon fiber film+high waterproof fabric Color: black/red/camouflage green/grey ect option Output:37.12V/8.539A Output Port: 5M MC4 cable Extended Size :233.8*79.4CM Foldable Size: 62.7*79.4*4.2CM Net Weight:8.97KG Accessories:1 drag 4 or 1 drag 6 option(MC4,Anderson,DC5521,DC7909.) Remark: with adjustable support and ABS handle Package:1PCS/CTN, Size:70.5*87*10.5CM,Weight:11.7KG Function:charge for power station,24V battery and power generator with 36V battery built in	£236.64	£236.64	0
EBPS- YT420,420W folding solar panel		Solar Panel:420W,Mono solar ceEBPSs,23% efficiency Material:Matte PET+EVA+Mono solar cell+Cabon fiber film+high waterproof fabric Color: black/red/camouflage green/grey ect option Output:40.3V/10.4A Output Port: 2M MC4 cable Extended Size :233.8*93CM Foldable Size: 59*93*5CM Net Weight:9.86KG Accessories:1 drag 4 or 1 drag 6 option(MC4,Anderson,DC5521,DC7909.) Remark: with adjustable support and ABS handle Package: 2PCS/CTN, Size:62*96*16CM,Weight:22.32KG Function:charge for power station,24V battery	£341.04	£682.08	0
PV- EBPS001,105W Semi flexible solar panel		Solar Panel:105W,Mono solar cells,23% efficiency Material:FFC&PET&FFC(special PV material)+EVA+Mono solar cell+Cabon fiber film Color: black or white board option Output:19.4V/5.4A Output Port: Triple Junction box ,with MC4 connector,16AWG Size: 98.5*59.8CM Net Weight:2.2KG Accessories:MC4 bus bar matched Remark: with anti-reverse connection protection,20A allowed,25 years of lifespan Package: 2PCS/CTN, Size:103*64.5*8CM,Weight:5.4KG Function:charge for power station,24V battery	£54.28	£108.56	0
PV- EBPS002,210W Semi flexible solar panel		Solar Panel:210W,Mono solar cells,23% efficiency Material:FFC&PET&FFC(special PV material)+EVA+Mono solar cell+Cabon fiber film Color: black or white board option Output:40V/5.3A Output Port: Triple Junction box Size: 115*98.5CM Net Weight:4.2KG Accessories:MC4 bus bar matched Remark: with anti-reverse connection protection,20A allowed,25 years of lifespan Package: 2PCS/CTN, Size:119.5*103*8CM,Weight:10KG Function:charge for power station,24V battery	£104.40	£208.80	0
		MC4 to 6 connectors (1 drag 6)			

EBPS-CA06		Connector details:DC7909,Anderson 30A,DC5521,DC6530,DC35135,XT60	£6.96	<b>£6.96</b>	
		Remark: moulded by ouself company,chosen based on customers' real demand			
EBPS-CM003,3W Portable Solar Panel for Camera		Solar Panel:3W,Mono solar cells,23% efficiency Material:Matte ETFE+EVA+Mono solar cell+fiber film+PCB Color: black Output:3W/5.2V /570mA Output Port:Micro USB/ Type-C option Size :16.9*11.6*0.25CM Net Weight: 67.1g Accessories:Cable Remark: without any stand,stand is only for show Package: 48PCS/CTN, Size:56*40.5*30CM,Weight:16KG Function:charge for Camera,5V devices,3.7V battery	£6.96	<b>£334.08</b>	0
EBPS-CM005,5W Portable Solar Panel for Camera		Solar Panel:5W,Mono solar cells,23% efficiency Material:Matte ETFE+EVA+Mono solar cell+fiber film+PCB Color: black Output:5W/6V /830mA Output Port:Micro USB/ Type-C option Size :16.9*15.9*0.25CM Net Weight:111.83g Accessories:Cable Remark: without any stand,stand is only for show Package: 48PCS/CTN, Size:56*40.5*38CM,Weight:19.65KG Function:charge for Camera,5V devices,3.7V battery	£8.35	<b>£400.80</b>	0
EBPS-BM15,15W Battery Maintainer charger		Solar Panel:15W,Mono solar cells,23% efficiency Material:Matte PET+EVA+Mono solar cell+PCB Character:With indicator and MPPT built in Color: black Output:15W,18V/0.8A Output Port:DC5521 Size :34.6*29.4*0.3CM Net Weight:0.5KG Accessories:extended cable,crocodile clip,car charger,sucker Remark: without any stand,stand is only for show Package: 20PCS/CTN, Size:63.5*38*41.5CM,Weight:15KG Function:charge for 12V battery for long time	£22.27	<b>£445.40</b>	0
EBPS-BM20,20W Battery Maintainer charger		Solar Panel:20W,Mono solar cells,23% efficiency Material:Matte PET+EVA+Mono solar cell+PCB Character:With indicator and MPPT built in Color: black Output:20W,18V/1.1A Output Port:DC5521 Size :37*39*0.3CM Net Weight:0.77KG Accessories:extended cable,crocodile clip,car charger,sucker Remark: without any stand,stand is only for show Package: 15PCS/CTN, Size:41*43*44CM,Weight:14.6KG Function:charge for 12V battery for long time	£29.23	<b>£438.45</b>	0
1.Valid time :1 Month					
2.Leadng time: With 7-10 days for samples 25-30 days for 1000PCS or more.					
3.Payment terms: 30% down payment, 70% balance before shipment					
4. Prices DO NOT include UK VAT or SHIPPING - These are extra
