|--|---|--|--|
| EBPS-YT16,16W integrated solar panel |  | Solar Panel:16W,Mono solar cells,23% efficiency Material:Matte ETFE+EVA+Mono solar cell+Carbon fiber film+high temperature and waterproof fabric Color: Full black Output:5V/3A (MAX) Output Ports: USB A x 2 ,Type C x1 Extended Size :35.7*27.3*0.2CM Foldable Size:27.3*17.8*1.1CM Net Weight:330g Remark: with moulded rubber cover Package: 20PCS/CTN, Size:30.5*20.5*63CM,Weight:9KG - £23.35 each Function:charge for all USB devices,like smart phone,tablet,etc. | £ 467.00 |
| EBPS-YT25,25W integrated solar panel |  | Solar Panel:25W,Mono solar cells,23% efficiency Material:Matte ETFE+EVA+Mono solar cell+Carbon fiber film+high temperature and waterproof fabric Color: Full black Output:5V/3A & 9V/2.5A & 12V/2A Output Ports: USB A x 2 ,Type C x1 Extended Size :53.7*27.2*0.2CM Foldable Size:27.2*17.5*1.1CM Net Weight:460g Remark: with moulded rubber cover Package: 20PCS/CTN, Size:30.5*20.5*63CM,Weight:12KG - £32.50 each Function:charge for all USB devices,like smart phone,tablet,etc. | £ 650.00 |
| EBPS-YT60,60W integrated solar panel |  | Solar Panel:60W,Mono solar cells,23% efficiency Material:Matte ETFE+EVA+Mono solar cell+Carbon fiber film+high temperature and waterproof fabric Color: black/red/camouflage green/grey ect option Output:19.44V/3.086A & 5V*3A & 9V2.5A & 12V/2A Output Port:DC5521 & USB -A & USB-C (with PD45W) Extended Size :110*47*0.3CM Foldable Size: 47*48*3.1CM Net Weight:1.7KG Accessories:with 2M 16AWG cable. 10 in one connector Remark: with adjustable support and PC handle Package: 4PCS/CTN, Size:52.5*54.5*28CM,Weight:9.6KG - £58.35 each Function:charge for power station,12V battery and USB devices | £ 233.40 |
| EBPS-YT105,105W integrated solar panel |  | Solar Panel:105W,Mono solar cells,23% efficiency Material:Matte ETFE+EVA+Mono solar cell+Carbon fiber film+high temperature and waterproof fabric Color: black/red/camouflage green/grey ect option Output:19.44V/6.172A & 5V*3A & 9V2.5A & 12V/2A Output Port:Output Port:universal MC4 & USB -A & USB-C (with PD45W) Extended Size :111*61*0.3CM Foldable Size: 61*59.7*3.1CM Net Weight:2.8KG Accessories:with 2M 16AWG cable,1 drag 6 option option Remark: with adjustable support and PC handle Package: 4PCS/CTN, Size:67.5*66*28CM,Weight:15.5KG - £84.25 each Function:charge for power station,12V battery and USB devices | £ 337.00 |
| EBPS-YT100,100W integrated solar panel |  | Solar Panel:100W,Mono solar cells,23% efficiency Material:Matte ETFE+EVA+Mono solar cell+Carbon fiber film+high temperature and waterproof fabric Color: black/red/camouflage green/grey ect option Output:19.44V/6.172A & 5V*3A & 9V2.5A & 12V/2A Output Port:Output Port:universal MC4 & USB -A & USB-C (with PD45W) Extended Size :174*42.6CM Foldable Size: 47.5*42.6*4.2CM Net Weight:3.46KG Accessories:with 2M 16AWG cable,1 drag 6 option option Remark: with adjustable support and PC handle | £ 353.00 |

| | | | |
|---|---|---|----------|
| | | <p>Package: 4PCS/CTN, Size:52*47*33.5CM,Weight:17.8KG - £88.25 each</p> <p>Function:charge for power station,12V battery and USB devices</p> | |
| EBPS-YT120,120W integrated solar panel |  | <p>Solar Panel:120W,Mono solar cells,23% efficiency</p> <p>Material:Matte ETFE+EVA+Mono solar cell+Carbon fiber film+high temperature and waterproof fabric</p> <p>Color: black/red/camouflage green/grey ect option</p> <p>Output:19.44V/10.802A & 5V*3A & 9V2.5A & 12V/2A</p> <p>Output Port:universal MC4 & USB -A & USB-C (with PD45W) ,with 2M 16AWG cable</p> <p>Extended Size :181.2*47CM</p> <p>Foldable Size: 49*47*3.1CM</p> <p>Net Weight:3.6KG</p> <p>Accessories:1 drag 6 option</p> <p>Remark: with adjustable support and PC handle</p> <p>Package: 3PCS/CTN, Size:67.5*66*28CM,Weight:13.4KG - £97.66- each</p> <p>Function:charge for power station,12V battery and USB devices</p> | £ 292.50 |
| EBPS-YT210,210W integrated solar panel |  | <p>Solar Panel:210W,Mono solar cells,23% efficiency</p> <p>Material:Matte ETFE+EVA+Mono solar cell+Carbon fiber film+high temperature and waterproof fabric</p> <p>Color: black/red/camouflage green/grey ect option</p> <p>Output:19.44V/10.802A</p> <p>Output Port:universal MC4 with 2M MC4 cable ,14AWG</p> <p>Extended Size :222*61*0.3CM</p> <p>Foldable Size: 61*59.7*4.2CM</p> <p>Net Weight:5.3KG</p> <p>Accessories:1 drag 6 option</p> <p>Remark: with adjustable support and PC handle</p> <p>Package: 3PCS/CTN, Size:67.5*66*28CM,Weight:18.95KG - £162.00 each</p> <p>Function:charge for power station,12V battery</p> | £ 486.00 |
| EBPS-YT420,420W folding solar panel |  | <p>Solar Panel:420W,Mono solar cells,23% efficiency</p> <p>Material:Matte PET+EVA+Mono solar cell+Carbon fiber film+high waterproof fabric</p> <p>Color: black/red/camouflage green/grey ect option</p> <p>Output:40.3V/10.4A</p> <p>Output Port: 2M MC4 cable</p> <p>Extended Size :233.8*93CM</p> <p>Foldable Size: 59*93*5CM</p> <p>Net Weight:9.86KG</p> <p>Accessories:1 drag 4 or 1 drag 6 option(MC4,Anderson,DC5521,DC7909,)</p> <p>Remark: with adjustable support and ABS handle</p> <p>Package: 2PCS/CTN, Size:62*96*16CM,Weight:22.32KG - £318.00 each</p> <p>Function:charge for power station,24V battery</p> | £ 636.00 |
| PV-EBPS001,105W Semi flexible solar panel |  | <p>Solar Panel:105W,Mono solar cells,23% efficiency</p> <p>Material:FFC&PET&FFC(special PV material)+EVA+Mono solar cell+Carbon fiber film</p> <p>Color: black or white board option</p> <p>Output:19.4V/5.4A</p> <p>Output Port: Triple Junction box ,with MC4 connector,16AWG</p> <p>Size: 98.5*59.8CM</p> <p>Net Weight:2.2KG</p> <p>Accessories:MC4 bus bar matched</p> <p>Remark: with anti-reverse connection protection,20A allowed,25 years of lifespan</p> <p>Package: 2PCS/CTN, Size:103*64.5*8CM,Weight:5.4KG - £60.00 each</p> <p>Function:charge for power station,24V battery</p> | £ 120.00 |
| PV-EBPS002,210W Semi flexible solar panel |  | <p>Solar Panel:210W,Mono solar cells,23% efficiency</p> <p>Material:FFC&PET&FFC(special PV material)+EVA+Mono solar cell+Carbon fiber film</p> <p>Color: black or white board option</p> <p>Output:40V/5.3A</p> <p>Output Port: Triple Junction box</p> <p>Size: 115*98.5CM</p> <p>Net Weight:4.2KG</p> <p>Accessories:MC4 bus bar matched</p> <p>Remark: with anti-reverse connection protection,20A allowed,25 years of lifespan</p> <p>Package: 2PCS/CTN, Size:119.5*103*8CM,Weight:10KG - £112.00 each</p> <p>Function:charge for power station,24V battery</p> | £ 224.00 |
| EBPS-CA06 |  | <p>MC4 to 6 connectors (1 drag 6)</p> <p>Connector details:DC7909, Anderson 30A,DC5521,DC6530,DC35135,XT60</p> | £ 32.50 |

| |  | Remark: moulded by own company,chosen based on customers' real demand - MOQ 5 - £6.50 each | |
| EBPS-CM003,3W Portable Solar Panel for Camera |  | Solar Panel:3W,Mono solar cells,23% efficiency Material:Matte ETFE+EVA+Mono solar cell+fiber film+PCB Color: black Output:3W/5.2V /570mA Output Port:Micro USB/ Type-C option Size :16.9*11.6*0.25CM Net Weight: 67.1g Accessories:Cable Remark: without any stand,stand is only for show Package: 48PCS/CTN, Size:56*40.5*30CM,Weight:16KG - £6.00 each Function:charge for Camera,5V devices,3.7V battery | £ 288.00 |
| EBPS-CM005,5W Portable Solar Panel for Camera |  | Solar Panel:5W,Mono solar cells,23% efficiency Material:Matte ETFE+EVA+Mono solar cell+fiber film+PCB Color: black Output:5W/6V /830mA Output Port:Micro USB/ Type-C option Size :16.9*15.9*0.25CM Net Weight:111.83g Accessories:Cable Remark: without any stand,stand is only for show Package: 48PCS/CTN, Size:56*40.5*38CM,Weight:19.65KG - £8.00 each Function:charge for Camera,5V devices,3.7V battery | £ 384.00 |
| 1.Valid time :1 Month | | | |
| 2.Payment terms: 30% down payment, 70% balance before shipment | | | |
| 3. OEM service: if print logo, MOQ 200PCS, if customized giftbox, MOQ 500PCS | | | |
| 4. Warranty: 1 year | | | |
| 5. Cartons only | | | |
