## LACONIC

## RING SIZER

Can't find the perfect size? We're here to help!

## Ring Size Guide

Use this method if you already have a ring which fits perfectly on the finger you'd like to wear your Laconic ring. Ensure the inside of the ring aligns with the outer edge of the circle. If between sizes, opt for the larger size. Note for wider bands, you may need to go up a size.

Printing tips; before printing your Laconic Ring
Sizer, ensure your settings are correct by selecting the actual size. Don't scale to fit.
Print on A4 sheets of paper.

To ensure this guide has printed correctly, measure the above sample with a ruler. It should measure exactly 2 cm (20mm).

## LACONIC

## RING SIZER

How to use your Laconic ruler to measure your ring size:

1. Cut out the ruler carefully below, along the outer edge.
2. Make a slit in the bottom centre, as indicated 'cut here'.
3. Insert the pointed end of the ruler into the slit to form a loop. Check the numbers are facing outwards.
4. Insert your finger into the loop, pulling gently on the pointed end until you get a comfortable fit.
5. Make a note of the number at the slit, this will be your ring size.

## Size Conversion Chart and Ring Size Ruler

Use the ruler and conversion chart to find your UK ring size.

1. Cut out the ruler
carefully below,
along the outer edge.
2. Make a slit in the
bottom centre, as
indicated 'cut here'.
3. Insert the pointed
end of the ruler into
the slit to form a
loop. Check the
numbers are facing
outwards.
4. Insert your finger
into the loop, pulling
gently on the pointed
end until you get a
comfortable fit.
5. Make a note of the
number at the slit,
this will be your ring
size.
