### WHAT OUR CLIENTS HAVE TO SAY...

“Our clients are important to us and the task of selecting the right gift for Christmas, for a celebration or to say thank you, is a job that we take seriously. My Farmers Market Table is the perfect choice for us. Christiana and her team are fantastic at selecting great products, personalising our gift boxes and creating something special that our clients love and remember.”

JO LAD, LOCATION PROPERTY GROUP

“I sent gift boxes from My Farmers Market Table to key clients and business partners at Christmas to say ‘thanks’ for their support during the year. They were delighted by the surprise delivery and loved the quality of the produce and how it was presented. The gifts really made a great impression. Plus I was pleased to support quality, ethical Australian businesses.”
