## MINI FIRE BASKET\*

An insert for  
small fireplace  
openings without  
the need for  
working chimney\*\*

\* The measurements are for guidance purposes only.

**\*\* WARNING!** This fire Basket will produce real flame so all regular safety precautions and common sense should be employed. **NOTE:** Every fireplace is different! Please make sure that when using our Basket, you only place it in fully fireproof surrounding. If you are building your fireplace from scratch, please make sure you line your entire opening with non-flammable material. We recommend to use Vermiculite Board for this purpose. If unsure, call us for advice within office hours on 020 77 24 1919.
