- Fully adjustable 3L bio ethanol fuel burner
- Built-in fragrance diffuser for Aura Fragrance Oils
- Selection of accessories available to match your decor
- Dimensions: 60 W. 27 H. 31.5 D cm
- Burning time per refill: 5–7h
- Heat output: 3-4.5kW

## Fully adjustable burner

We installed the large grate into a redundant fireplace a couple of weeks ago and it has brought the room to life. It isn't just a lovely focal point but produces a really good heat and makes the room very cosy. We are delighted and it has received many positive comments.

Wendy M.

- 100% HEAT EFFICIENT
- EASY USE
- NO MESS OR SMOKE
