

ASCOT BIO ETHANOL FIRE GRATE

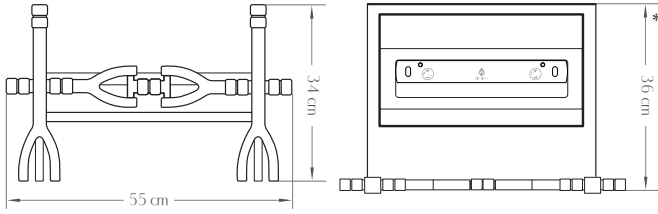

Ascot Bio Grate has been specially designed with a more discerning client in mind. It is ideal for customers looking for a highly realistic log effect basket with intricate detailing and rich flames. The design of this fireplace has been influenced by a growing trend of equestrian motifs and is available in traditional black satin finish or elegant mirrored finish.

FEATURES:

- Fully adjustable 3 L bio ethanol fuel burner
- Built-in fragrance diffuser for Aura Fragrance Oils
- Dimensions: 55 W, 34.7 H, 36 D cm
- Burning time per refill: 5–7 h
- Heat output: 3–4.5 kW
