

## LALO Trade & Contract Program

---

**Trade:** We offer a discount to qualified architects, interior designers and design professionals working on a single residence or small projects.

**Contract:** Have a large custom project? Do you need special colors or custom products for your project? Contact us for more information about custom colors, products and our Contract Program.

Please send us the following information:

The following credentials are required to open a Trade or Contract Account:

- Current business or state professional license in a residential or commercial design-based business, or the hospitality industry
- Proof of current AIA or IDI provincial registration or Proof of current ASID membership or Interior design certification (e.g. NCID, CCIDC)
- W9, Federal ID form, or official document showing EIN number, Resale or Sales Tax Certificate

Plus, all of the following:

- Business card that indicates your current design profession/title
- Links to your website and/or LinkedIn, Facebook and any other websites that state your firm's most current profession and/or design
- Examples of your past and/or current design/architectural work (links to online portfolios, scanned photos or printouts of articles/blogs/sites that showcase your firm's work)

Once your application has been submitted, you will receive an email requesting your supporting documentation. It is required that you reply to this email with your business documentation attached in order to complete your membership request.
