

i9 MAX BILLIONAIRE EDITION
(MAP: \$29,990)

Proud to be Made in the USA with high-quality materials that can last for decades, the i9 MAX Billionaire Massage Chair Model has all features of i9 MAX Special Edition and the following additional features:

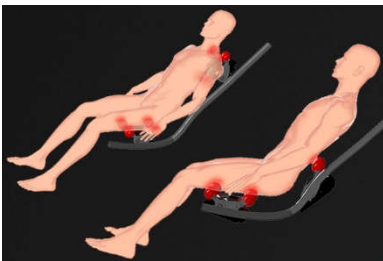

Software Customization (Level II Package): Special Embedded Software Version for Keypad PCB, Motherboard PCB, Daughter Board PCB that allows user to customize the chair performance in all Auto Modes.

Customized remote control software with owner's picture on the welcome screen.

Included the i9 MAX SPECIAL EDITION outstanding features:

Doubled 3D Engines (2x3D) with Patented "Butterfly Technology" (full back, neck, and shoulder massage at the same time).

Software Customization (Level I Package): Special keypad screens showing ownership, e.g. "This chair is Specially Made for Dr. Smith".

Genuine leather **Owner's name tag** on the chair.

Wireless Charger for smartphones with **2022 Qi Technology**.

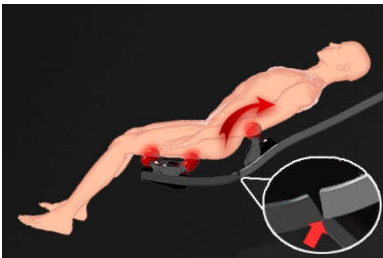

Included **Blood Pressure and Heart Rate Monitor**.

Backup emergency power to restore the chair to the original position. This feature allows user an easier exit from the chair in case power is lost.

Included the i9 MAX outstanding features:

The i9 MAX are implemented **the first-of-its-kind Massage Track**. **The New Patented Split L-Track** which delivers all the benefits of an L-Track chair while also allowing for the superior stretch functions of an S-Track.

Patented Powered Easy-Entry Armrests that allow for Users to easily enter and exit. Chairs in the past have been cumbersome to get in and out of, now Luraco has solved that challenge.

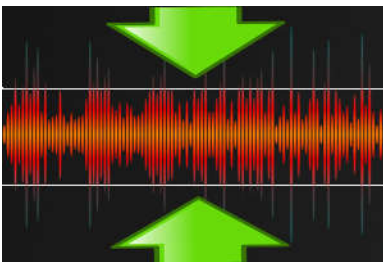

First and Only in the industry with **Hand Stretching by Powered Armrest Actuator (Patent Pending)**.

First and Only **Adjustable Positions for Armrest for Spot-On Hand and Arm Massages.**

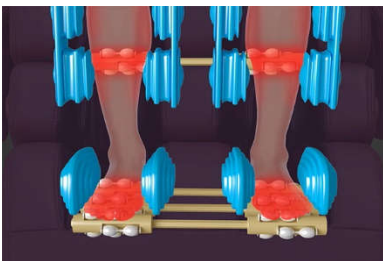

Patented 3D "Butterfly Technology" Robotic Rollers gives an even closer feel to an actual hands-on massage. *Note: Please don't be misled by 4D or 5D space advertised by other manufactures. If air, motor speed, music, or heat is considered a dimension then Luraco i9 would be a 7D Chair.*

Patented Noise Deduction Technology to maximize relaxation and improve health and wellbeing. As of today, i9 MAX is considered the **most quiet chair** on the market.

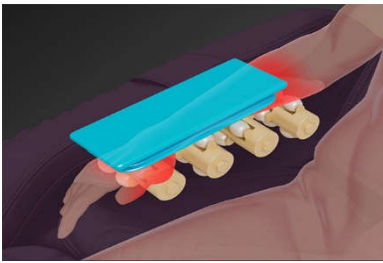

Unique and Advanced **Full-body Stretching** (lower back, foot, and arm stretching by powered actuators).

Calf Rollers that combine with air massagers for complete massage therapy for sore calf muscles and **Tripled Foot Rollers** to give full toe-to-heel massage coverage along with **new Achilles Heel Massage Nodes.**

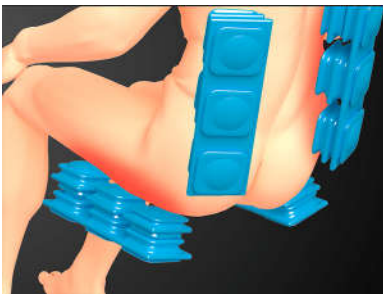

Patented three stages footrest

Patented Hand Rollers that work in harmony with air massagers.

Zero Gravity (neutral body posture position) which has been proven to heighten the state of relaxation and well-being.

Body Twisting Stretch by advanced air compression.

Automotive Industry Leather for the entire chair.

Adjustable **Heat** for **Hands**, **Lower Back** and **Feet** for comfort and relief.

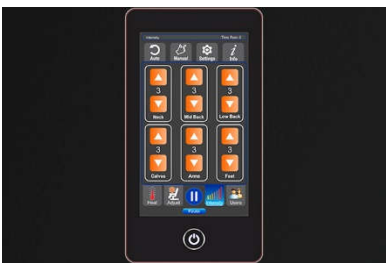

Patented Position Adjustable Bicep/Shoulder Massagers that allows for various user's heights.

Most technically up-to-date, smart handheld **Touch-screen Control**. Same platform as in Smartphones, very easy to use.

Unique features for up to **5 different user saving profiles** so the whole family can customize and enjoy.

6 Sections for Multi-Intensity Massage Controls (Neck, Upper Back, Lower Back, Arms, Calves, and Feet). **5 Levels of Intensity Controls with TRUE 3D** – from super soft to intense to allow adjustments as needs change.

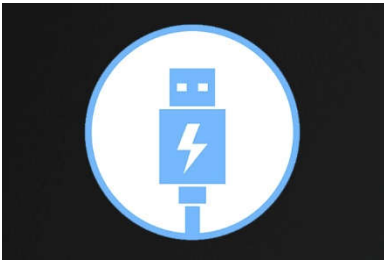

Helpful Diagrams of body acupuncture points and reflexologies

Powerful **Bluetooth Speaker (10 W)** for music streaming with secured password access.

7 Human-voice Response System (English, Vietnamese, Spanish, German, French, Japanese, and Korean). This chair gives instructions and confirms the commands you give it!

USB port for phone charging.

Unlimited Over-the-Air (OTA) WiFi Software Updates (If a new software version becomes available, your i9 Max chair can be updated via WiFi). It's another new and secured feature/service that only U.S. manufacture can offer.

FDA Registered, UL and CE listed. Built for safety and medical benefits.

Best Warranty in the Industry (*i9 Max Series are the only chairs with 10-year warranty for leather*).

Integrated **Blood Pressure and Heart Rate Monitor** (*optional*).

More features: * Independent Rhythm and Speed Controls for Kneading and Tapping massages * Pause and Resume Button (for when the User needs to pause their massage) * User height recommendations of **4'7" to 6'10"** and weight up to **300 pounds**. Meets the needs of larger bodies better than any other of the imported chairs on the market!
