

EcoClean® EcoSpray™

Safer for the Environment

- No aerosols
- No propellants
- Non-flammable*
- No 1,1,1 trichloroethane
- No ozone-depleting CFCs

CORTEC CORPORATION
Environmentally Safe VpCI®/MCI® Technologies

**EcoClean®
VpCI®-423
Rust Remover**

WARNING

HAZARD STATEMENTS:
Irritant. Causes serious eye damage. Harmful if swallowed. May cause drowsiness or dizziness. Causes skin irritation.

PRECAUTIONARY STATEMENTS:
Wear eye protection. If in eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.

Product No. 8173
16 oz. (473 ml)

**Environmentally Safe
VpCI® Technologies**

- Removes surface rust, tarnish
- Excellent for rust stains
- 100% Biodegradable
- MSDA approved
- Clings to vertical surface

CORTEC CORPORATION
Environmentally Safe VpCI®/MCI® Technologies

**EcoSpray
VpCI®-325
Industrial Lubricant**

WARNING

HAZARD STATEMENTS:
Harmful if inhaled and enters airways.

PRECAUTIONARY STATEMENTS:
Avoid breathing dust/fume/gas/aerosol/vapors/spray. Wash hands thoroughly with soap and water after use. Store locked up. Dispose of contents in accordance with local/regional/national/international regulations. May contain: Dinitrogen (peroxide), hydrogenated light.

Product No. 8174
16 oz. (473 ml)

**Environmentally Safe
VpCI® Technologies**

- Environmentally friendly
- Universal corrosion protection
- Excellent penetrating properties
- Effective in adverse climate conditions
- Wet film/non-drying

CORTEC CORPORATION
Environmentally Safe VpCI®/MCI® Technologies

**EcoSpray
VpCI®-389
Rust Blocker**

WARNING

HAZARD STATEMENTS:
Irritant. Causes serious eye damage. Harmful if swallowed. May cause drowsiness or dizziness. Causes skin irritation.

PRECAUTIONARY STATEMENTS:
Wear eye protection/face protection. Wash thoroughly after handling. If on clothing, wash with water for several minutes. Remove contact lenses, if present and easy to do. Wash hands thoroughly with soap and water after use. Get medical advice/attention. IF ON SKIN: Wash with plenty of water. If swallowed: Get medical advice/attention. IF ON SKIN: Wash with plenty of water. If inhaled: Get medical advice/attention. IF ON SKIN: Wash with plenty of water. If inhaled: Get medical advice/attention. IF ON SKIN: Wash with plenty of water.

Product No. 8175
16 oz. (473 ml)

**Environmentally Safe
VpCI® Technologies**

- Excellent outdoor protection
- Multi-metal protection
- Superior salt spray resistance
- Replaces oil based inhibitors
- Easily removed with alkaline cleaner
- Biodegradable

CORTEC CORPORATION
Environmentally Safe VpCI®/MCI® Technologies

**EcoSpray
VpCI®-238
Electronic Cleaner
Protector**

DANGER

HAZARD STATEMENTS:
Highly flammable liquid and vapor. May cause genetic defects. May cause cancer. May be fatal if inhaled and enters airways. Causes skin irritation. Causes serious eye irritation.

PRECAUTIONARY STATEMENTS:
Keep away from flames and hot surfaces. — No smoking. If swallowed: Immediately seek medical advice/attention. If on clothing, wash with water for several minutes. Remove contact lenses, if present and easy to do. Wash hands thoroughly with soap and water after use. Get medical advice/attention. IF ON SKIN: Wash with plenty of water. If inhaled: Get medical advice/attention. IF ON SKIN: Wash with plenty of water. If inhaled: Get medical advice/attention. IF ON SKIN: Wash with plenty of water.

Product No. 8176
16 oz. (473 ml)

**Environmentally Safe
VpCI® Technologies**

- Specialty electronic cleaner and protectant
- Fast drying corrosion inhibiting film
- Non-conductive multi-metal protection
- Anti-static shield

CORTEC CORPORATION
Environmentally Safe VpCI®/MCI® Technologies

**EcoSpray
VpCI®-416
Cleaner & Degreaser**

**Environmentally Safe
VpCI® Technologies**

- Heavy duty cleaner of grease, oil, and paint
- Non-toxic
- Multi-metal corrosion protection
- Mild foaming
- USDA Approved

**EcoClean®
VpCI®-433
Graffiti Remover**

DANGER

HAZARD STATEMENTS:
Irritant. Causes serious eye damage. Harmful if swallowed. May cause drowsiness or dizziness. Causes skin irritation.

PRECAUTIONARY STATEMENTS:
Wear eye protection. Avoid breathing dust/fume/gas/aerosol/vapors/spray. Wash hands thoroughly with soap and water after use. Store locked up. Dispose of contents in accordance with local/regional/national/international regulations. May contain: Naphtha (petroleum), hydrocarbon heavy.

Product No. 8177
16 oz. (473 ml)

**Environmentally Safe
VpCI® Technologies**

- Removes graffiti
- Removes ink and paint
- Neutral pH balanced
- Prevents flash rust
- Clings to wall
- Low odor

Safer for the environment

EcoSpray™ and EcoClean® products do not contain propellants, CFCs, or HCFCs that affect the atmosphere, ozone layer, or environment. When possible, EcoSpray™ and EcoClean® products are formulated with ingredients rated for their biodegradability and non-polluting characteristics, minimizing waste disposal.

Safer for storage*

EcoSpray™ and EcoClean® products have no storage or added fire insurance restrictions. They can be stored like any non-aerosol lubricant or cleaner at room temperature. Do not let product freeze.

Safer for shipping*

EcoSpray™ and EcoClean® products are non-hazardous for transport and can be shipped by air freight or any other conventional shipping method.

Safer for the user

EcoSpray™ and EcoClean® products have been specially formulated to improve safety for the consumer as well as the environment. The products do not contain 1,1,1 trichloroethane, methylene chloride, or chlorinated solvents.

Packaging

EcoSpray™ and EcoClean® products are packaged in 16 fluid ounce (0.5 liter) recyclable bottles, 12 bottles per carton.**

*Most products. Contact Cortec® for details on EcoSpray™ VpCI®-238 and EcoClean® VpCI®-433.
**EcoClean® Silver and Gold Cleaner comes in 16 oz. (453 g) tubs (not recyclable), 6 tubs per carton.

Environmentally Friendly Spray Technology

EcoSpray™ and EcoClean® products attack the toughest maintenance duties with respect for the environment. Where possible, they incorporate non-toxic, biodegradable chemicals without aerosols, propellants, or ozone-depleting CFCs. Fast-acting, dependable, and safe to handle, EcoSpray™ and EcoClean® lead the way in environmentally safe technology.

Product	Description	Application
EcoSpray™ Electronic Cleaner Protector VpCI®-238	An electronic cleaner containing vapor phase corrosion inhibitors. Forms a thin protective film that does not interfere with conductivity.	Cleans and protects electrical and electronic contacts and components from corrosion. ^{1,2}
EcoSpray™ Cleaner & Degreaser VpCI®-416	Heavy-duty water-based alkaline cleaner and degreaser with unique flash corrosion protection.	Removes heavy deposits such as hydrocarbons, grease, drawing and buffing compounds, and machinery compounds from machinery, sheet metal, and other metal parts. ¹
EcoSpray™ Industrial Lubricant VpCI®-325	Convenient, ready-to-use vegetable oil/solvent-based liquid for general purpose corrosion protection. Tenacious wet film clings to metal surface and displaces water.	Protection of sheet metals, wire, pipes, flanges, machined parts, and guns. Excellent for maintenance and lubrication. Loosens rusty parts. ¹
EcoSpray™ Rust Blocker VpCI®-389	Water-based coating to rust-proof iron, steel, and other ferrous metals. An environmentally friendly replacement to oil-based products.	Indoor and outdoor corrosion protection for equipment and metal parts. ¹
EcoClean® Rust Remover VpCI®-423	Environmentally-friendly biodegradable organic rust remover. USDA Certified Biobased Product.	Removal of rust/corrosion from metal surfaces. ^{1,3} Neutralize with EcoSpray™ Cleaner & Degreaser.
EcoClean® Graffiti Remover VpCI®-4330	Exceptionally smooth flowing graffiti removal gel with flash corrosion protection. Contains no methylene chloride, ketones, chromates, phenols, chlorinated solvents, methanol, toluene, or acetone.	Removal of graffiti, inks, and paints from metal, concrete, and wood. ¹
EcoClean® Silver and Gold Cleaner	Cleaner for safely and effectively removing oxides, grease, oils, and other contamination from silver and gold. Superior prevention of oxides/tarnish. Worker and environmentally friendly.	Superior cleaning of electrical contacts, silverware, jewelry, and other silver or gold plated surfaces.

EcoSpray™/EcoClean® products are designed for enhanced consumer and environmental safety.

Additional packaging options:

¹Also available in liquid 5 gals (19 L), 55 gals (208 L), totes, and bulk.

²Also available in aerosol as ElectriCorr® VpCI®-238.

³Also available in EcoAir® air-powered spray cans.
