**A Fundraiser to Benefit  
Summer & Winter Youth  
Programs at Hickory Ski Center**

**JUNE 22, 2024 • NOON - 5:00 PM**

## A Fundraiser to Benefit Summer and Winter Youth Programs at Hickory Ski Center

Join us for the Second Annual Hickory Hike 4 Kids, where you can take part in a community hike followed by an after-party filled with outdoor music, local beer and wine, tasty food, and fun family games.

The Hickory Legacy Foundation is dedicated to fostering healthy lifestyles, providing educational and recreational opportunities, and promoting environmental sustainability in our region, with a special focus on the 3 Sisters Range. Proceeds from the fundraiser will go towards covering operational expenses and supporting summer and winter youth programs.

### The Hike

Challenge yourself with a hike to the top of the iconic Hickory Ski Area! The hike kicks off at noon and will follow the ski area trail out to Ridge Run. The hike up the Ridge Run trail has beautiful eastern views of Warrensburg and mountains surrounding Lake George. Once at the top, views of the southern Adirondack Mountains, Gore Mountain, and High Peaks Area can be seen.

**Registration is FREE and the first 50 registrants get an Event T-Shirt!**

If the summit hike is more challenging than you would like, you are welcome to do a self-guided hike on any of our marked trails. Visit our website for more information:

### The After-Party

## Your Support Made 2023 a Success

Thanks to your generous support last year:

- The Foundation successfully installed an 18-hole Disc Professional Golf Course, providing local kids with the chance to embrace a new sport. Through the kindness of our sponsors and donors, **kids can play for FREE.**
- This summer, we're excited to offer a week-long Disc Golf Camp. **This program will be accessible to local children at no cost.**
- Additionally, our 2024 EcoLearn Program, spanning four weekly sessions and designed for ages 10 to 16, will impart valuable outdoor skills.
- **Your donations have also helped facilitated the reopening of Hickory for lift-served skiing after an eight-year hiatus!** Looking ahead to 2024/25, we aim to build upon this success by offering night skiing for kids and other fun programs.
