

GIFT TO NEIGHBORS

Let us give our neighbors a small gift and explain to them what ramadan is.

Step 1: Buy or bake some cookies as a small gift for your neighbor.

Step 2: Cut out the cards which explain what Ramadan is.

Step 3: Wrap the gift and give it to your neighbor / neighbors.

IT IS *Ramadan*

A month where we as muslims, through fasting and the pursuit of good deeds, strive to become the best possible human beings. Human beings, filled with devotion and self-insight, who benefit their own families and the surrounding community.

We want our neighbors to feel this benefit also. Here is a small gift from us.
