TOP 100 FIXTURE PLANNING - A UNIQUE TOOL TO GROW YOUR DIY PEST CONTROL SALES

Pest control is a year-round category opportunity with guaranteed sales for 12 months of the year. But working out how to range and merchandise pest control to ensure you never miss a sales opportunity can be a challenge. Our new Top 100 merchandising plans make sure you never miss a sale and secure your share of a total of £36million in sales.

We have done the hard work for you and created three key fixture plans in the shape of our unique 'TOP 100's'. Each is supported with a detailed merchandising plan and informative and interactive POS packs. The Top 100 plans focus on our best-selling lines in each product category which are sought by consumers to solve the most common pest control problems.

This unique merchandising scheme also includes the option to offer consumers the entire v range through our award-winning webstore and drop ship facility from your own website. This means that, in addition to your normal margin on product sales from the fixture, you can earn up to 30% commission from any product ordered and delivered directly through our drop ship facility. No need to hold additional stock.
