

Troy Sport

gelato showcases

SEVEL

The Troy Sport, is Sevel's latest showcase for gelato displays, which presents the "wow factor" with its modern low-profile design.

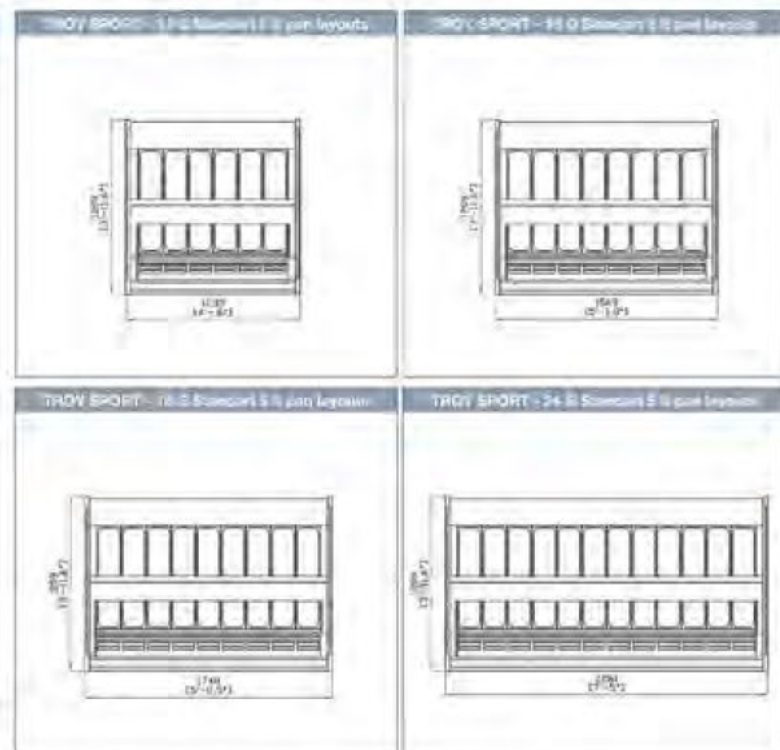

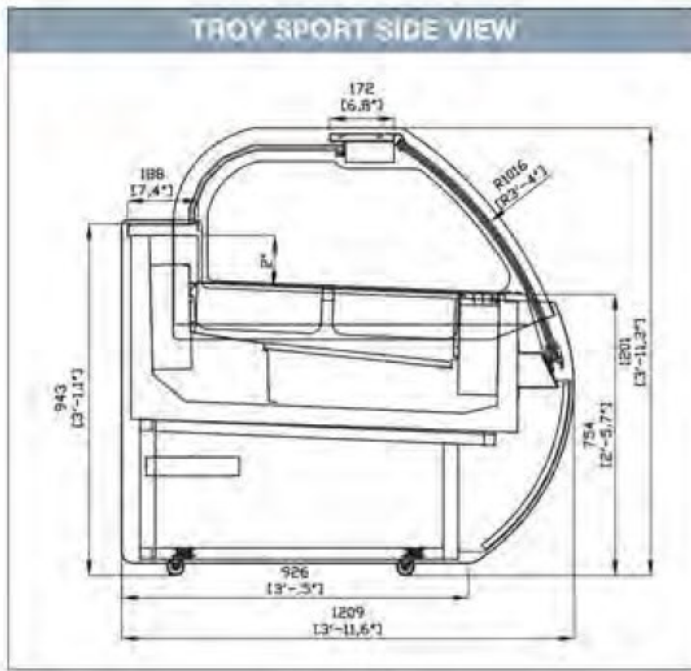

The reduced height and increased display angle, offers outstanding views of your product from both up-close and afar.

The Troy Sport is offered in 12, 16, 18 and 24 pan options.

- New Low Profile Design for increased visibility
- Double Pane Heated Front & Side Glass
- Digital Controlled with automatic hot-gas defrosting
- Stainless Steel Internal Framework
- Polyurethane Insulation Side Panels
- Self-Contained, Air-Cooled Condensing Unit
- Illuminated Front Panel
- Illuminated Flavor Labels
- Pull Down Thermal Curtain on the back
- 5-liter Stainless Steel pans **included**
- Caster Wheels **included**
- All RAL Colors available, plus Stainless Steel & Wood Finishes
