Printable Ring Sizing Guide

Step 01
Follow the steps below to ensure that your guide prints to the correct size.

• In print options set scaling to 'none' or 'no page scaling".
  It's important to print at full size.
• After printing use a ruler to measure from the dotted line to the tip.

Step 02
Cut out your ring sizing guide. Make a small cut on the dotted line. Slide the end through with the numbers facing outward and place on finger.
