LOVE SPIRIT PREMIUM VODKA

A Swedish super-premium Vodka bottled at 40% ABV to get the purest taste. From the golden fields of southern Sweden, we get the highest quality wheat. Then we add the crystal-clear water from our spring in Malmköping, so pure only nature itself can reach this level of perfection. Adding yeast from Swedish farms to the mix and distilling to 96% ABV to achieve the purest and smoothest vodka.

Combining the highest quality of Swedish wheat, yeast and the purest spring water to reach a super-premium quality vodka. To maintain the taste and purity, we use water from the same spring to lower the alcohol to 40% ABV. The result is the highest quality Swedish super-premium vodka you will ever taste, so smooth that you will be closing your eyes and soon pass cloud nine. Drink it neat, over ice or as a magic base in classic drinks, to give you amazing moments of your life. Alone, with a friend, or with friends-to-be.

LOVE SPIRIT PREMIUM DRY GIN

Our Gin follows the principles of our other products, offering a clean and pure taste, and smoothness with a teasing hint of mandarin at the end. Crystal-clear water from our spring in Malmköping, top-quality grain from Swedish farms and Mediterranean juniper berries grown to perfection. All distilled together with added citrus fruits and spices blended to produce a dry but still smooth premium gin, we call it our Swedish Dry Gin.

The Gin & Tonic cocktail was born from quinine being used as a traditional cure for malaria. British officers in India in the early 19th century took to adding a mixture of water, sugar, lime and gin to the quinine tonic water, and thus the G&T was born. Our Love Spirit Dry Gin gives you a perfectly styled G&T. Combining ice, our Gin, quality tonic and a cheeky lemon wedge – simple and heavenly!

LOVE SPIRIT ROSÉ SPARKLING WINE

Crafted from the most excellent grapes, harvested on a family-owned vineyard in Torres Vedras. Located about 50 kilometers north of Lisbon, this region in Portugal is world-renowned as a leading producer of fine wines.

Sparkling rosé wine from the Aragonez e Castelão grapes, sun caressed into perfection. The grapes are handpicked and only the best ones are used for this amazing sparkling rosé.

During fermentation and to get the best bubbles and taste, we stop the process at 12% ABV - to achieve the rich and fruity taste, still dry and mouth-filling. The taste gives you a hint of fresh strawberries before the mouth is filled with the dryness achieved only in the absolutely best sparkling wines.

Our Love Spirit red wine is intense and structural on the palate, through its freshness and richness in tannins, with a satisfyingly long and harmonious finish.
