Gift Wish Poems

Nice ways to ask for something different for your wedding gifts

Money or Vouchers

M1

We don't want to offend but we have it all,
All household goods and so much more.
To save you shopping, sit back and rest,
A gift of currency is our request
Don't go overboard or rob any banks,
Any little thing will make us smile with thanks
We supply the wishing well,
No wrapping, an envelope who can tell
Now that we have saved you all the fuss,
We'd love it if you would come and celebrate with us!

M4

We've lived together for quite a while,
With all our pots and pans,
And as we don't need homely gifts,
We have another plan!
We know it's not traditional,
But it's easier that's for sure,
To have no wedding list at all,
Your attendance means much more!
For those of you who do insist,
We have a savings pot,
A small gift to add to this,
Would really mean a lot!

M5

If you were thinking of giving a gift to help us on our way,
A gift of money in a card would really make our day!

M6

As wedding gifts are bulky and we're a little short on space,
Some money would be the ideal gift to help us buy our
place!

M2

Now we are to be Mr & Mrs
We don't need a wedding list of dishes
We have two kettles, two toasters, two microwaves
And we have dreams for which we have to save
If you would like to give us a gift
A cheque or vouchers would give us a lift
We like to think of it as our wishing well
Which will be filled with your love, we can tell!

M3

We made a commitment, some time ago,
Together through life, we were destined to go
To save you looking, shopping and buying,
Here is an idea, we hope you'll like trying!
Come to our wedding, to wish us both well,
And please make a donation to our wishing well!

M4

We haven't got a gift list for all of you to see,
because as you all know we never can agree!
But if you'd like to help us start our married life,
cash or high street vouchers, would save a lot of strife!

Help with your Honeymoon

H1

We've lived together quite a while
And all the bills are paid
We've got our plates, our pots and pans,
Our plans have all been made
We would appreciate your help though,
To send us on our way
A contribution to our honeymoon
In a land quite far away
But most importantly, we request,
You come to our wedding as our guest
To share with us our special day
And have some fun along the way!

H3

We are sending out this invitation
In hope you will join a celebration
But if a gift is your intention
May we take this opportunity to mention
We have already got a kettle and two toasters
crockery, dinner mats, and matching coasters
so rather than something we have already got
We would appreciate money for our honeymoon pot
But most importantly we request
That you come to our wedding as our guest!

H5

We'll soon be saying 'I do',
And for a gift, if you haven't got a clue,
We'd really love some cash,
So, for our honeymoon we can splash,
Out on an amazing and romantic trip for two!

H7

We've lived together quite a while with all our pots and pans,
and as we don't need homely gifts we've got another plan!
We know it's not traditional but an awful lot more fun,
to have a special wedding list to help us catch some sun!
So if you'd like to give a gift and send us on our way
a donation to our honeymoon would really make our day!
Then while we're relaxing on the beach, or by the pool so blue
we'll sit back and know that it is truly thanks to you!

H2

As we're keen to start our married life in style,
An amazing honeymoon would really make us smile
Your financial donation would truly mean a lot,
So thank you for contributing to our honeymoon pot!

H4

Now we've made it official,
that we are finally tying the knot,
having you there to share our day,
would really mean a lot.
We've organised the venue,
the photographer and cake,
and when it's done and dusted,
we'll really need a break.
If you would like to lend a hand,
to help us on our way,
a token in our wishing well,
would really make our day.
Then while we're relaxing on the beach,
or by the pool so blue
we'll sit back and know
that it is truly thanks to you!

H6

As we've lived together for a year or two,
We really don't need anything new
But if you were thinking of getting us a small
wedding gift,
Some money for our honeymoon wouldn't go a miss!

No Presents

Z1

We do not wish for presents,
we hope you do not mind,
We haven't got a gift list,
there's nothing we could find.
Your presence at our wedding
will give our day a lift,
Your company is priceless,
and will make the perfect gift.

Z3

We'd love your well wishes and congratulations too,
No gifts are necessary, all we really want is you!

Z2

You're invited to our wedding,
when we both say "I do"
And the most important thing to us
is sharing our day with you.
But if you're thinking of a gift,
we'd rather just request.
A day of love and happiness
with all our special guests.
The choice is really up to you,
but we'd just like to say,
That the very best gift is you,
with us, on our special day.

Don't forget...

I'm here to help, so please just shout!
