**TARGET AUDIENCE:
ARBORISTS, PRIVATE
FOREST LANDOWNERS
FORESTERS, AND
PLANNERS**

The Inland Tree Conference is the premier annual arboriculture event for networking and education in Spokane. This distinctive conference brings together forward-thinking forest landowners, managers, and leading green industry professionals.

Take advantage of an outstanding marketing opportunity by becoming a sponsor for this year's conference.

Who Attends?

Attendees are people who care about advancing their knowledge and skills as it relates to their professional careers including Foresters, City Arborists, Utility Arborists, Planners, and Forest Landowners.

Conference Program

Attendees will attend several sessions during the two days highlighting intermediate to advanced education in their fields led by local experts. Time will also be dedicated to visiting sponsors at their booths.
