

PETITA - MINA

STRAIGHT CONFIGURATION WITH 12 STEPS

12 STEPS (13 RISERS)

Height between floors:
Min. 261 cm
Max. 309 cm

LEGENDA:

- Arrival step to upper floor
- Other steps

Using the following configurations, it is possible to determine the direction of climbing, entry and exit of the stair based on the number of steps.

The measurements indicate the footprint of the stair on the ground.
