CLEANSING

Double Cleansing Step 1 Melt & Clean cleansing oil

Pure oil dissolve and remove dirt and soiled oil from the skin's surface. Use cleansing oil to remove makeup (including eye makeup) and cleans your skin. Oil cleansing is safe and is effective to clean your skin daily. After finishing the cleansing, your skin should feel soft and moisturized.

Melt & Clean cleansing oil is balancing and supportive for all skin types by mixing various cold pressed organic plant oils, vitamin E and green tea extract. It can remove makeup, dirt, soiled oil, unclog blackheads, address breakouts, remove dead skin, moisturize dry skin, balance oily skin, reduce inflammation in acne.

How to use:

- Apply Melt & Clean cleansing oil to skin, to remove eye makeup, apply drops to a cotton ball and gently wipe off eye makeup.
- After slightly massaging the oil around your face, wet your face with water, and rinse off the oil cleanser until skin is clear.
- Follow with Lord & Lily Foaming Cleanser to thoroughly clean the skin.

Double Cleansing Step 2 Foaming Cleanser

Lord & Lily Foaming Cleanser uses various non-comedogenic cold pressed organic oils and natural gentle surfactants to gently, yet thoroughly, remove dirt and excess oil to reveal smoother, clearer skin. It deep cleans without stripping skin of natural moisture leaving it feeling refreshed and balanced.

How to use:

- Apply Foaming Cleanser and massage into skin using your fingertips.
- Rinse off the cleanser and pat your face dry.
- Follow with Lord & Lily's Serums (You may select any one or more serums according to your need.)

Double Cleansing Bundle

Clean skin is the most important step for beautiful skin. If you know how to thoroughly cleanse your skin the right way and with a good cleanser, you're already halfway to having beautiful, youthful skin.

Double cleansing is the best way to properly cleanse your skin. Double cleansing means cleansing your skin twice, first with an oil cleanser and second with a gentle cleanser that contains surfactants.

Using a cleansing oil means using a specially formulated cleansing oil to cleanse the face and neck as the first step, I use a cleansing oil, not a makeup removing oil, because this cleansing oil is not only used to remove makeup, but also to wash the face. Oil is the best solvent and cleaner for dirt. Like our skin, light botanical oils are the best cleansers for breaking down and removing even the toughest makeup, dirt, and debris. When rinsed with water, all dirt is dissolved, sucked out and washed away without stripping our skin of sebum.

Lord & Lily Melt & Clean Cleansing Oil was developed and formulated in our Bethlehem, PA laboratory using 100% multi-vegetable oils, Green Tea Matcha, and more to not only cleanse thoroughly, but leave your skin soft and smooth. Melt & Clean is formulated to be used for both dry and oily skin types, it does not clog pores and can absorb excess oil on the skin that help you cleanse the skin thoroughly.

Follow with the second step of double cleansing with Lord & Lily All-Natural Foaming Cleanser to complete the double cleansing routine. Foaming cleanser is rich in amino acids, suitable for dry skin; rich in fatty acids, suitable for oily skin. It uses organic and mild raw materials, without using toxic and surfactants or synthetic solvents, so will not damage, strip the essence of the skin surface, or cause acid-base imbalance, which will induce skin acne.

SERUM

Stem Cell Trio Serum

Three key ingredients, Plant Stem Cells, Ceramides, Hyaluronic Acid and 9 Fruit Extracts and all the nutrients in this serum work to:

- Effectively hydrate your skin
- Reduces the appearance of fine lines and wrinkles
- Helps skin cells maintain their ability to build new tissue
- Increased skin density
- Reverses signs of aging in fibroblasts
- Boosts collagen production

Ingredients:

Apple stem cells, hyaluronic acid, rose hydrosol, ceramide, various fruit enzymes, vitamin E, probiotic enzymes, glycerin, essential oils

How to use:

- After thoroughly clean you skin, apply 1 or 2 drops and massage into skin using your fingertips.
- Follow with Lord & Lily Double C Brightening Serum, Anti-aging Serum or Clarity Serum.

Bright & Young Bundle

Apply Double C Brightening Serum, followed with Anti-aging Serum, or use Double C Brightening Serum in the evening and Anti-aging Serum in the morning. Followed with Lotion and Cream. Make sure to apply SPF Sunscreen in the daytime after using serums, recommend using Lord & Lily SPF BB Cream.

In addition to maintaining moisture, it can make the skin soft and tender. (4oz)

HAIR

Camellia Oil for Hair

Effectively help thicker, fuller hair, the main ingredients and functions are as follows:

- Camellia Oil: Prevent hair damage, keep your scalp healthy, reduce hair dye side effects, and keep your hair moisturized is our grandma's wisdom.
- Rosehip Oil: Lightweight, rich in vitamins and antioxidants, it's good for the scalp and super moisturizing for the ends!
- Argan Oil: It's moisturizing and a must-have for curly hair.
- Almond Oil: This is a must if you have fine and dry hair.
- Castor Oil: Aids in hair growth. Essential oils in this bottle:
- Tea Tree: Helps relieve dandruff or irritation. Rosemary: Aids in hair regrowth.
- Peppermint: An excellent choice for stimulating hair growth and calming inflammation.

How to use:

Wet or dry, put a few drops on the palm, rub it and apply it on the hair. It can also be used on the ends of split and frizzy hair.
