HZC ESSENTIAL 25T LOG SPLITTER
(Briggs & Stratton 6.5HP)

1 DESCRIPTION

HZC Essential 25T Log Splitter is a powerful tool for efficiently splitting Australian logs into firewood. It provides 25 tonnes of splitting force and is powered by a Briggs & Stratton 6.5Hp engine, making it compatible and suitable for most Australian hardwoods. The log splitter comes with a hydraulic cylinder and it can accommodate up to 600mm in log length. It is also designed with 2-Stage pumps allowing for maximum speed at low pressure, automatically reducing to a safe speed when splitting wood. One of the greatest benefits of this product is its machine flexibility - Vertical and Horizontal Operations. The splitting force of vertical operation is much greater than that of horizontal operation.

Furthermore, it is designed with convenience in mind. Equipped with a high-performance axe head, It is much easier to split wood. It also comes with a wood table that facilitates the placement of split wood, a rear support leg, and an 8-inch jockey wheel which would enhance the stability and easy maneuverability.

2 SPECIFICATION

- Max. Wood Splitting Capacity: **25T**
- Max. Wood Splitting Diameter: **500mm**
- Max. Splitting Length: **600mm**
- 2-Stage Pump: **8.8/2.1 (10GPM)**
- Cycle Time: **15s**
- Weight: **260kg**
- Shipping Weight: **315kg**
- Package Dimension
 - Length: **2200mm**
 - Width: **760mm**
 - Height: **1160mm**

3 FEATURES

- Briggs & Stratton 6.5Hp Engine:** Delivers robust performance and remarkable endurance.
- 25 Tonne Splitting Force:** Splits even the toughest Australian hardwoods efficiently.
- Vertical and Horizontal Operation:** Offers flexibility to adapt to different working conditions.
- Compact Design:** Facilitates easier transport and maneuverability.
- Durable Construction:** The beam and axe head are heavily reinforced, with chip-resistant hammertone finish.
- 2-Year Engine Warranty and 2-Year Machine Warranty:** Ensures machine and service quality.

8 SPLITTING HOURS NON-STOP

MACHINERY MANUFACTURING
HZC POWER

Your Expert In Powered Machinery

HZC Power Pty. Ltd focuses on delivering top-notch industrial and garden equipment to our house owners or potential business partners. Our primary offerings consist of Log Splitters and Mini Excavator machinery. You can rely on us for exceptional customer service, superior product quality, and competitive pricing.
