

PODIUM AND LECTERN PL-01

KEYBOARD DRAWER

A standard keyboard tray is provided

CABLE PORT OUTLET

for laptop, document camera or projector & preserves the work surface

FOLDING SIDE SHELF

for laptop, document camera or projector & preserves the work surface

CABINET

Lockable Cabinet for CPU or other equipments

CASTERS

2 inch casters for mobility and positioning

The **MULTI-USE WOODEN LECTERN** is the ideal solution for mobile media presentations in the classroom. Four heavy-duty casters, two of which are locking, allow easy portability and a perfectly stable workstation once positioned. Vinyl tee-molding on the top and bottom not only protect the cabinet, but walls and other objects as well. A standard keyboard tray is provided, as is a locking door and equipment access panel. A folding side shelf not only preserves the work surface of the cart for necessary equipment or instructional material, but is ideal for a laptop, document camera, or projector and maintains a proper ergonomic working height. The spacious cabinet interior can be configured with an optional adjustable shelf. A work surface cable port as well as cable ports on both cabinet sides allow for easily cabling.

Material : Wooden
Color : Walnut
Weight capacity : 66kg

PODIUM AND LECTERN

PL-02

Your video projector will always be safe and secure with this **MULTI-USE WOODEN PODIUM**. Euro-hinged locking rear door allow easy access during instructional periods yet provide necessary security when not in use. As an added bonus, the 24" X 24"

work surface remains available for a laptop, document camera, or other instructional material. The cabinet interior features a tilting projector shelf with adjustable positioning stop to allow precise projector alignment on screen or board. A stationary shelf is also provided, with enough space below for an optional adjustable shelf. Front-mounted swivel casters paired with stationary rear casters insure a stable platform for projection, yet allow for easy room to room mobility.

Material : Wooden
Color : Walnut
Weight capacity : 52kg
