ABOUT OCEAN AND EARTH

With a deep respect for the Ocean and Earth and a desire to improve sustainable practices, we decided to create a label that embodied a carefree, modern, and minimalist lifestyle.

After launching our first collection, Coco & Kandy has expanded to capture the essence of the exclusive Yacht lifestyle introducing a new range of modern and stylish uniform pieces. These pieces are custom designed for our partners in yachting with fashion, comfort, and the environment in mind.

YACHT UNIFORM

Having spent 15 years in the Yachting industry, managing interiors and working on new build projects, we are intimately aware of how challenging the process of sourcing uniforms can be, from concept and colours to fabric choices and styles, it's all about managing expectations. Getting this right means looking great and feeling confident, so you can deliver that 6-star service to guests!

WE RECOGNIZE THAT EVERY YACHT IS UNIQUE, AND SO ARE ITS NEEDS. OUR TEAM OF EX-INTERIOR CREW IS HERE TO GUIDE YOU THROUGH THIS WHOLE SELECTION PROCESS, FROM START TO FINISH WITH OUR MODERN APPROACH AND PROGRESSIVE DESIGNS TO BRING YOUR VISION TO LIFE

Our commitment is to long term sustainability and responsible business practices. We endeavour to make the best decisions within our power to propel the textiles industry forward into a more ethical way of business. Within our industry, we constantly strive to make positive changes in our sourcing and manufacturing processes without compromising on the quality of our garments. We are dedicated to constantly researching and sourcing sustainable and innovative fabrics to add to our collection.

Our uniforms are ethically made in Bulgaria with the finest European fabrics. We can also accommodate all your standard Yachting uniform requirements with collaboration with our Partner Brands.

WE SHIP WORLDWIDE.

ELEVATE YOUR UNIFORMS WITH FRESH STYLE, QUALITY AND COMFORT!
