By default, the reimbursement method is credit. The value of your credit will correspond to the amount you paid.

## Exchanges (If you are not making an exchange, please do not circle anything)

Circle one of the following two options:

1) Fastest method: Order the size you want on the site. This way we can process and ship your order immediately. In the meantime, you can return your item to us. As soon as we receive it, we will refund your first order in full.

2) Slower method: Send us your item. It may take up to 5-10 days to arrive to us. Once we receive it, we can ship you the correct new item.

By signing, you acknowledge that the above information is accurate and that failure to provide correct information may result in denial of reimbursement.
