

The Cookie Jar

GRANDPA'S SNACK

Crunchy with a slight chew, this nostalgic cookie was a favourite of my grandfather's, bringing together a hearty mix of oats, crisp rice and chocolate for a timeless treat.

PEANUT BUTTER CHIP

The combination of peanut butter with pockets of chewy marshmallows and melty chocolate chips is a twist on a classic cookie,

RHUBARB CRISP

A balance of tart and sweet, these cookies feature the fresh taste of rhubarb complemented with a luscious raspberry drizzle, reminiscent of a classic summer dessert.
