

Ambassador Program

We are excited to announce the launch of our Ambassador Program! In this program, we hope to gather a wide range of small businesses across various industries to assist us with new content for In The Box!

We would send you industry specific products and provide you with payment in vouchers and in return, we are looking for exciting & unique content about our products, through the eyes of you, our customer & ambassador!

This would be done on an ad-hoc basis and proposals will be emailed through for your approval prior to the campaign. Your application will be added to our database and we will reach out accordingly.

If this excites you, please email sales@in-the-box.co.za for the application form.
