Mataroa Mediterranean Dry Gin: www.MataroaGin.com

Awards: Best Contemporary Greek Gin at the 2020 World Gin Awards

"Mataroa Gin's botanical list is a real journey around the Mediterranean and the gin itself also delivers just that. Expecting bright Mediterranean citrus to burst from the bottle, it is actually the savoury, liquorice and chamomile notes that are at the forefront on the nose with an abundance of piney juniper. This character also starts off on the palate before revealing depth and complexity as mandarin and lavender shine through with bay leaf giving balance. The mouthfeel is smooth and relatively dry, with a long, lingering finish that sees lemon peel and orange peel flavour emerging further. When mixed with tonic the character stands up well and remains balanced, with orange or thyme being ideal starting points for garnishes." Paul Jackson, 2019.

2020 Kir Yianni Assyrtiko: www.KirYianni.gr

Awards: 95+ points at the Malborough Wine Show, 93+ points at the Gold Wine Orbit

This wine is produced from Assyrtiko grapes sourced from vineyards at an altitude of 700m in the Amyndeon Appellation. Thanks to the four surrounding lakes that act as a buffer zone, the vines experience more temperate weather conditions than expected in this continental climate. Fermentation is carried out in stainless steel tanks, and after fermentation, the wine remains on its lees to mature for 4-5 months. On the nose, the wine displays aromas of white fruits and flowers. On the palate, the citrus acidity balances with the alcohol and the round mouthfeel of the wine and finishes with a lingering aftertaste – an Assyrtiko wine with an intense character produced from young vines growing on the mountainous vineyards of Amyndeon.

2020 Estate Argyros Santorini Assyrtiko: www.EstateArgyros.com

Awards: 97 points – Decanter World Wine Awards 2021, 95 points – Wine Align

Following the family tradition that has lasted since 1903, Estate Argyros produces the Santorini Assyrtiko. It is a dry white wine made by the variety of Assyrtiko 100%, cultivated in a private vineyard in Episkopi Gonia. The sedulous selection of grapes from a 50–60 year-old vineyard and the vinification result in a fine dry white wine with a strong personality. This Assyrtiko is crystal-clear yellow and is distinctively flavoured with citrus overtones. The relatively high acidity of Assyrtiko gives it a crisp freshness, while the vineyard's extremely low performance offers body, structure and substance.

After alcoholic and malolactic fermentation, the wine is aged for at least 12 months in French oak barrels. A delightful wine of real character, which can be consumed fresh or aged for several years.

Kir Yianni has managed to hold on to what intrigues us about Xinomavro and, at the same time, craft a wine that is nothing like what we have seen before. Diaporos has a deep red colour, almost blue, very different from the traditional Xinomavro. On the nose, the bouquet consists of ripe black fruit, plums, a cigar box, black chocolate, golden tobacco, and pepper. In the mouth, one gets the well-constructed, sculpted tannins rooted in a dense layer of ripe fruit. This is a full-bodied wine, rich in ripe tannins with good acidity balanced by the relatively high alcohol level. Under proper storage conditions, this wine can be aged and enjoyed for up to 10–12 years and more.

The distinct flavour of this clear spirit is hard to describe. It smells like a sun-drenched rocky Mediterranean hillside covered in wild herbs, like crushed juniper berries and fresh-torn spearmint leaves, like the hauntingly deep aromas of rain-soaked cedar wood and violet essential oil. It's gently sweet yet refreshing, unctuous yet delicate, and its balance makes it highly versatile.
