CISTERN
PLATES

DETAILS B.E. products are designed using the latest technologies and respecting the pressing environmental issues.

Our meticulously crafted Cistern Plates undergo rigorous testing, ensuring top quality with 36 lab tests conducted. This commitment to excellence has earned us international recognition, including Reddot and IF Design awards.

Our Cistern Plates are available in a choice of luxurious finishes and designs to add that final designer detail to your new bathroom.

DETAILS B.E. Cistern Plates are not just beautifully designed; they're engineered to optimize water usage, helping you contribute to a more sustainable future without compromising on style or functionality.

WATER SAVING

We save on average 9lt of water per day, 270lt a month and 3285 in a year

90% OF WASTE HAS BEEN RECYCLED

RECYCLED RAW MATERIALS

REDUCTION IN EMISSIONS

Reduction in emissions by 1000 tonnes of CO2 per year

PHOTOVOLTAIC PANELS

HORIZON
