

A photograph of a bathroom scene. In the foreground, a dark, glossy tiled ledge holds several white bottles of skincare products. Behind the ledge, a white bathtub is visible, with a curved, polished brass faucet and a handheld showerhead. Steam is rising from the tub, creating a soft, hazy atmosphere. The background shows a window with a view of a cityscape.

vişo is one of the cornerstones of FCML's private label, DETAILS B.E. . DETAILS B.E. is a brand born from FCML's legacy of passion. It represents our relentless pursuit for customer satisfaction. All the experiences we have had in the last 22 years, from serving over 5 million customers, have been poured into the creation of brand **DETAILS B.E.**

DETAILS B.E. products are globally designed, produced and sourced. This includes our steam generators, **vişo**. Like all other DETAILS B.E. products, **vişo** too spells accessible luxury. **DETAILS B.E.** is FCML's commitment to our community that we will always take care of their needs first.

DETAILS B.E. adheres to the FCML promise of quality, aesthetics and service. You can count on our signature innovativeness to be reflected in each product in the collection. Here you will find great attention to design details.

DETAILS B.E. products perfectly conform to our bath and wellness ecosystem. You will be delighted by the depth and breadth of the DETAILS B.E. product line, so that our customers are spoiled for choice.

Here on we take care of the details, so you can JUST BE.
