GRAND FETE MUSICALE. THE CIRQUE D'ETE (SUMMER CIRCUS), A FORMER PARISIAN THEATRE (AND A TYPE OF INDOOR HIPPODROME), WAS BUILT IN 1841 TO DESIGN BY THE ARCHITECT JACQUES HITTORFF ON THE CHAMPS-ELYSEES.

This new collection is all in line with the happiness of such a place. By combining bright colors with happy and innocent shapes, from pomegranates to little baskets on necklaces - this collection tells you to take life not so seriously. As in all Mimi's latest collections, you'll find a balanced combination of femininity through pearls and female designs, that fluidly blend with more chunky bold statements. Let's close our eyes and imagine us in Paris, 1841 for a second, in the CIRQUE D'ETE - can you feel it?
