Lonpos Coco Cross (Mini)

Select a challenge card, put it on the top of the deck, place the deck in the case, close the clear lid.

Information on the cards includes the number of steps that should be taken to solve the challenge.

Place the weighted piece on the 'start' position as indicated on the card.

Roll the piece towards the 'finish' position.

Reach the 'finish' position in the least number of steps (as indicated on the card).

Record the directions you rolled the piece to solve the challenge. Move onto a harder challenge.
