Project Description: \_\_\_\_\_

Number of waste rows provided:  None

**Please note:** If a design has no waste rows, some of the design may be lost when finished. We recommend two waste rows around your stitched project to prevent loss of design.

One blocking is included in pricing. Heavily skewed canvases will require additional blocking at an additional cost.

**Stocking Cuff**

**Sizing** - measurements are determined by the total desired length, from the top of the needlepoint cuff, to the bottom of the toe on the constructed body.
