

Please read and follow the guidelines to register online.

Click on **Start Application**

On log-in page click **Sign Up** (next to “Don’t Have Account”)

On the next page click **Sign Up With Email**

Please enter **your email address**

Set a **password** (the festival has no access to these passwords, please make sure you use something you will remember)

Click **Sign Up**

Fill in the required information

First & Last Name

Gender

Birthdate

Email address

Phone number

Where You Live (your address)

Click on **Save**

Select area and shift you want to work (if you want to work more than one shift you have to sign up separately for each one. You keep your email and password but redo everything else)

Provide emergency contact information

If you are under 18 years of age, you must provide the name of your parent or guardian and their email address. They will be contacted for their consent before the application is approved. If parent or guardian does not have e-mail you must complete a paper application.

Click on **Submit**

Click on the link below now and welcome to our festival as a volunteer
