INSTRUCTIONS

See included alignment guide for detailed installation instructions. For proper bond, **wait 24 hours before use**. This adapter is not intended to be reused.

COMPATIBILITY

- ✓ Smooth, hard plastic cases (e.g. PC, TPU)
- ✗ Porous, textured or soft-touch coated cases (e.g. leather, silicone)
- ✗ Directly on phone (no case)

REMOVAL

Remove by softening the adhesive with a hairdryer and slowly peel starting at a corner. Get rid of remaining adhesive with rubbing alcohol. **Removal may cause damage to the case.**
