

Printable Ring Sizing Strip

Use this ring sizing strip to find your ring size from the comfort of your own home

How To Use:

1. Measure the strip once it has printed to make sure that it has printed correctly
2. Cut a slit in the ring sizing strip where indicated
3. Wrap the strip around your finger, threading the end through the slit and pull the end until the strip fits nicely on your finger. Please make sure that the strip can snugly go over your knuckle.
4. Take note of the ring size that is shown at the end of the arrow. (if your ring size shows between 2 sizes, it is best to go with the larger size.

Important: Measure the template with your ruler to make sure it was printed correctly.
