

# Creative Finds for Creative Minds

## Colorful Eco-Printing with Dyann Black

Included in your kit fee, instructor will supply the following materials:

1. 8" x 72" silk scarf for printing
2. Eucalyptus leaves of varying kinds
3. Chemicals & all necessary supplies for processing

### **Student Supply List**

***Please bring the following with you to class:***

1. Plenty of botanical items for printing—if you are able to harvest them the morning of class, that is best. Keep in cool water or wrap stems in paper towels or newspaper and keep damp.
2. Small spray bottles for spritzing water
3. Garden trimming scissors or clippers.
4. While a class handout will be supplied, please bring a notebook and pen to take notes. Everyone is encouraged to ask questions – that's how we all learn!

The general rule is nothing waxy will work. Some evergreens are nice. Regarding herbs, Dyann notes she has only had luck with purple basil. **The following leaves, vegetables and plant material print well:**

- Acacia
- Maple
- Oak
- Cherry
- Alder
- Apple
- Chokeberry
- Blackberry
- Birch
- Hydrangea leaves and flowers
- Black-eyed Susans
- Marigold
- Carrot tops
- Red cabbage
- Coreopsis flowers
- Sumac
- Eucalyptus
- Ferns
- Palms fronds
- Grapevines
- Japanese maple, black walnut, St. John's wort
