

SIZE CHART | All figures measured in inches

To determine your student's uniform size, please use the measurements below.

If needed, please use our handy measuring tape that can be found on the product page, which you can download and print from your computer or device.

Chest – Measure around the torso and over the fullest part of the chest with arms relaxed at sides.

Waist – Measure around where the waist naturally indents. Keep a finger between the tape measure and the belly.

Length – This measurement indicates the length from the top of the waistband to the bottom of the garment's hem.

Please reach out to Satsuma Uniform with any questions. We look forward to serving you!
