

Environmental Policy

First Corporate Clothing Ltd is a business that offers a professional yet personal service to the Corporate Clothing Industry and is based on Llewellyns Quay in Port Talbot. The company designs and manufactures corporate clothing for direct sale within the UK.

First Corporate Clothing's areas of greatest environmental impact are the use of packaging, the production of waste and the use of energy.

In recognising these impacts and demonstrating a commitment to pollution prevention and continual environmental improvement, First Corporate Clothing Will:

- Comply with the requirements of all relevant environmental legislation and have regard for associated guidance notes.
- Commit to the recovery, recycling and re-use of products.
- Make effective use of all natural resources particularly when used as packaging.
- Minimise energy use.
- Take action to reduce the carbon footprint of our business activities.
- Commit to the education and training of all employees in relevant environmental matters.
- Ensure environmental criteria are taken into account in the procurement of goods and services.
- Review and audit all environmental aspects of its environmental procedures.

This policy will be subject to annual review, will be communicated to staff and made available to all interested parties.
