

Our ethics

We're passionate about doing things the right way at AWDIs, which is why we only partner with factories that meet our high standards and commitment across human resources management, health and safety, environmental practices, legal compliance, security standards and local laws. All of our vendors are either WRAP, BSCI or SMETA Audited. We and our global partners have a shared commitment to fair and safe working practices throughout our supply chain. We recognise our responsibility to ensure the manufacturing methods used match the ideals of those who love and wear our products.
