Do you know it?

Time-consuming searches on "insolvenzbeachtmachungen.de" are the order of the day? Event-centric publications make it difficult to get a good overview of the proceedings?

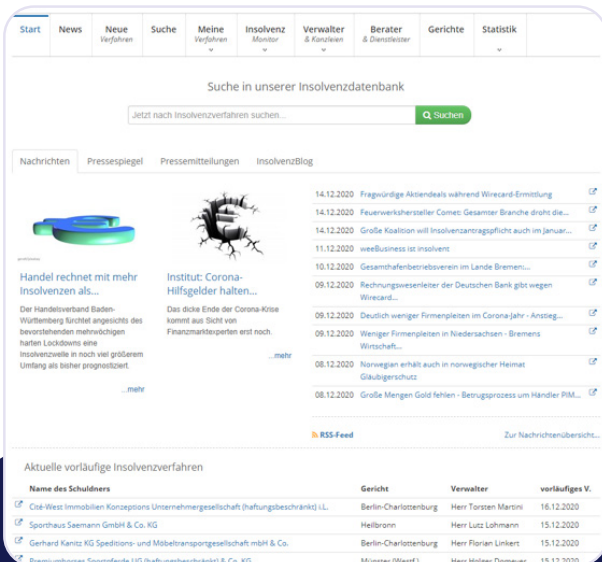

Intuitive search, procedure-centric view of insolvency proceedings, whether IC or IN

Alternative: We use it every day, the information is top researched, extremely up-to-date and for us the insolvency portal is the ideal acquisition tool.

Dr. André Schröer, Livingstone Partners GmbH

Intelligent search and filter options allow you to quickly and easily display the proceedings from the insolvency database that are relevant to you. In addition to comprehensively structured insolvency information, further data such as economic data, key financial figures or shareholders and shareholdings are available directly in the web portal.
