# Cine suntem noi?

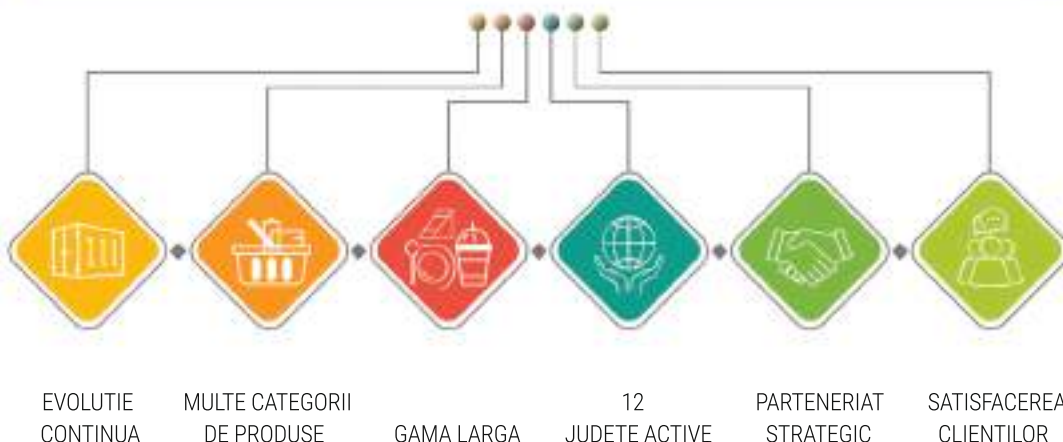

În anul 2018 ne-am lansat pe piață sub brand-ul **Bio Packing** începând cu vânzarea de pungi biodegradabile.

Odată cu vânzarea acestora, ne-am dorit să îmbunătățim și să învățăm lumea cu o educație mai vastă în gama ambalajelor Bio, iar după ce am atins o cota de piață ce ne-a putut situa în aprovizionarea a peste 12 județe importante din România, ne-am extins tot portofoliul reușind să satisfacem toate cerințele în materie de ambalaje de unică folosință.

Țelurile noastre încă de la bun început au fost de a dezvolta relații de lungă durată bazate pe prietenie și încredere și să evoluăm împreună în relația de **furnizor-client**.

Anul acesta vrem să ne reînnoim promisiunile făcute clienților, în a va oferi produse de cea mai bună calitate și la prețuri mereu competitive care să ne permită să evoluăm împreună.
