- Detail Brush

1. P.E.P. the natural nail. (Visit cnd.com for complete CND™ VINYLUX™ Application & Removal Step-by-Step.)
2. Apply two thin layers of CND™ VINYLUX™ Smile Maker over $\frac{3}{4}$ of the thumb and ring finger nail, leaving the moon shape in cuticle area free of color.
3. Repeat using VINYLUX™ Change Sparker over the remaining nails.
4. Use a CND™ ProSeries Gel Flat Oval Brush lightly moistened with acetone to refine the line as needed.
5. Dispense a small amount of Smile Maker and Change Sparker onto a palette. Use a detail brush to create squiggly lines across the nail, alternating between Smile Maker over Changer Sparker and vice versa.
6. Apply a layer of CND™ VINYLUX™ Top Coat.
