<b>AVEO® SKU:</b>	05OCCU, 10OCCU	PAGE 1 OF 2	

## 0.5mL Cartridge

## 1.0mL Cartridge

### Description:

Top fill vaporizer cartridge. Designed for rapid high-end, high-production filling and capping. Patented low torque, tamper proof, easy snap-on locking mouthpiece system. No arbor press required.

### Features:

- » AVEO® Technology atomizer
- » Top loading, compatible with most filling machines
- » Capable for mass filling and mass capping
- » Tamper-proof, press-fit, locking mouthpiece
- » 510 connection with M7 thread size
- » 2.0mm aperture for various oil viscosities
- » 0.5mL and 1.0mL capacities
- » Multiple mouthpiece materials and shapes to choose from
