TEA TREE BACTA-RID

Experience the power of nature with Tea Tree Bacta-Rid, your all-natural, germ-fighting solution. Safe for your entire family, it effectively eliminates bacteria, ensuring a clean, healthy environment.

BENEFITS

Kills 99.9% of Germs: With its potent antibacterial properties, our formula effectively eliminates 99.9% of germs, providing a high level of hygiene and protection.

Effective Against Bacteria: Tea Tree Bacta-Rid swiftly kills bacteria, including harmful strains like E. coli and S. aureus, ensuring your home remains germ-free.

Natural Ingredients: Made with pure Tea Tree Oil, our product offers a natural solution to cleaning, free from harsh chemicals and synthetic additives.

Quick Action: Simply spray and wipe after 20 seconds to reduce bacterial presence, making cleaning quick and efficient.

Versatile Use: Perfect for various surfaces, Tea Tree Bacta-Rid can be used in kitchens, bathrooms, and other areas prone to bacterial growth, offering comprehensive protection throughout your home.

Eco-Friendly: Our all-natural formula is environmentally friendly, aligning with our commitment to providing eco-conscious solutions for a healthier planet.
