

High Performance Energy Efficient
Magnifying Lamp for Inspection

ProVue Touch LED Magnifying Lamp

Aven ProVue Touch LED magnifying lamps feature a modern slim design with energy saving SMD LEDs that provide shadow-free illumination. Touch LED incorporates 54 SMD white LEDs controlled by a touch sensitive 3 stage intensity on/off switch. The large 7" diameter crystal clear glass lens is mounted in a rugged ABS plastic housing attached to a 35" industrial grade spring balance arm. Built in metal grips allows you for quick and easy positioning over the item being viewed.

Features

- Modern slim design
- Large 7" Crystal Clear 1.75x (3 diopter) glass lens
- 54 powerful energy saving SMD LEDs provide shadow-free illumination
- Touch sensitive 3-stage on-off switch for controlling light intensity
- ABS plastic housing
- Lens can be easily removed and replaced when necessary
- Lens cover included for protection
- 35" industrial grade spring balanced enclosed arm stays put in any position
- Built-in metal grips for quick and easy positioning
- Heavy-duty metal clamp with a 3¼" opening
- Double insulated dual voltage power supply – 110V or 220V
