## Anemone Machine Flower MFL-40

A mechanical light fixture, reminiscent of an anemone flower opening its petals to the rising sun and closing with the sunset. An experience that corresponds to the structure of the day as the petals open and close.

Designer - Shea Bajaj

### Materials

Machined aluminum & brass w/ porcelain shades. Comes with (2) remote control pendants. Can be hardwired & programmed. Motor rated for a minimum of 50,000 cycles.
