

MYTIKAS

MYTIKAS ADELAIDE 2021 PINOT BIANCO

The peak of Mount Olympus where our Adelaide GI grapegrower George's family originated, is called Mytikas.

It also means "nose" which is quite fitting for these fragrant styles which are full of vibrancy and flavour.

Working together is the key to achieving the best fruit expression from the vineyard. Having a Greek grower of Italian, French and Spanish varieties from Adelaide GI may break with tradition, but we love the challenge and style it delivers and wanted to celebrate that.

Pinot Blanc derives from Pinot Noir with a genetic difference and paler colour to Pinot Gris.

Tasting Note:

This wine was fermented then matured in older French oak barrels for 10 months. It is a light and crisp style with flavours of apple, pear and a hint of rose petal.
