DESIGNED & MANUFACTURED IN THE UK

The SPORTS-LITE Training Kits

Market leading features

22,000 equivalent lumens

Supplied with waterproof carry bags as standard

Replaceable lithium battery stored within light head. No trailing cables

Light weight and compact to store

Unique lensing optimised for all playing surfaces

Safe, soft descent anti-trap tripod

Over 2 hours 20 minutes duration. Additional batteries available to increase training time to 4 hours 40 minutes

Silent operation, no mains or generator required

Stable and robust. Ideal for any type of training

Waterproof, light heads rated IP65

Features & Benefits

Unique lensing optimised for sports playing surfaces to give low light spill (light pollution) and even light coverage

Quick & simple setup by one person in under 1 minute per light

Compact to store and transport. Under 10kg per kit. Easy to fit a full set in a car

Lights can be set up anywhere on any surface for sports training

Features & Benefits

Stable to 25mph winds. Optional stability kit allows use in wind up to 35mph

Safe, silent operation. No trip hazards. No noise. No maintenance.

Lithium rechargeable battery pack with over 2 hours 20 minutes duration. Fast, easy charging

Multiple kit options for all budgets and training requirements

Kit Options

The Sports-Lite training kits are available in multiples of 2 lights per set. All kits include light heads, 3m tripods, removable lithium battery packs with chargers, and weather proof carry bags.

Accessories

LITHIUM BATTERY

A rechargeable lithium battery pack for powering the Sports-LITE, complete with an in-built battery level indicator

LITHIUM BATTERY CHARGER

A battery charger for charging the Sports-Lite battery packs

MULTI-WAY BATTERY CHARGERS

4-way, 5-way & 6-way battery chargers for charging multiple Sports-Lite battery packs at once

TRIPOD

A light weight 3 metre tripod for use with the Sports-Lite LED light head

STABILITY KIT

Add to the centre of the tripod to increase stability in strong wind

LIGHT HEAD BAG

Store up to 2 Sports-Lite heads, batteries and chargers safely in this weatherproof storage bag

TRIPOD BAG

Store up to 2 Sports-Lite tripods safely in this weatherproof storage bag

FENCE ADAPTOR

A 3m height adjustable mast which can be permanently fixed to any fence removing requirement for tripods.

£ Fast payback on initial investment for clubs

The units charge time is approx 5.5 hours, they can be charged after the training session and be available for any unexpected training evenings you may have.

Cost to recharge is under 10p per Sports-Lite

- Example 8 kit = £0.80 per recharge – A lot less than running a generator and with maintenance savings too.
- These figures are based upon 33p per KWH electricity cost which is a UK average domestic rate. A massive saving when compared with 3g pitch hire costs!

Charging Options

The **SPORTS-LITE** training kits are a fantastic energy friendly lighting solution with very little energy required to recharge the Sports-Lite's lithium battery packs.

Options

Single chargers supplied with units as standard

Optional 4, 5 or 6-way multi-bank charger to charge multiple units from one plug socket

5.5 hour recharge

5.5 hours for full recharge

How many lights do I need?

The number of **SPORTS-LITE** training kits required depends on the sport being played and the level of light required.

Experience

Our customer support team are highly experienced in recommending the right number of Sports-Lites for every application and sport.

Testimonials

“A great product which is easy set up and taken down from the back of your vehicle. They allow you to train on certain areas of the pitch which can allow you to work on specific positions. A great product and I would highly recommend.”

Glenn - One Touch Football

“The lights are just what we needed. 6 lights have given us the light we need to continue to play as the nights start to draw in. They have opened up so many more opportunities to play all Year round outdoors. Easy to put up and take down and all packed away within minutes in the handy carry bags.”

Liz at Elmdon Netball Club

Football

8 kit for 60m x 40m area
or 16 kit for full 11v11 size pitch

2 kit

Goalkeeper practice

4 kit
